

The background of the entire cover is a watercolor illustration. Two hands, one from the left and one from the right, are positioned to form a heart shape with their fingers. The hands are rendered in warm, earthy tones of brown, orange, and red. The background behind the hands is a soft, blended wash of colors, including light blue, yellow, and pink. At the bottom of the cover, there are several small, stylized orange and red circular shapes, possibly representing seeds or petals.

critics advocate in all literary study is directed both the students of literature and to scholars who wish to expand their knowledge of the many different areas of theoretical inquiry that comediantes are currently exploring
