Approaches To Gender And Spoken Classroom Discourse:

Approaches to Gender and Spoken Classroom Discourse Helen Sauntson, 2015-12-11 Gender is a hotly debated topic in the field of education. The role that language plays in educational contexts, especially in the classroom, has long been acknowledged. Innovatively combining approaches in the analysis of classroom discourse, this book offers rich empirical findings as well as being theoretically interesting and valuable. The Routledge Handbook of Language, Gender, and Sexuality Jo Angouri, Judith Baxter, 2021-04-26 Shortlisted for BAAL British Association for Applied Linguistics Book Prize 2022. The Routledge Handbook of Language Gender and Sexuality provides an accessible and authoritative overview of this dynamic and growing area of research. Covering cutting edge debates in eight parts, it is designed as a series of mini edited collections enabling the reader and particularly the novice reader to discover new ways of approaching language gender and sexuality. With a distinctive focus both on methodologies and theoretical frameworks, the Handbook includes 40 state of the art chapters from international authorities. Each chapter provides a concise and critical discussion of a methodological approach, an empirical study to model the approach, a discussion of real world applications and further reading. Each section also contains a chapter by leading scholars in that area, positioning through their own work and chapters in their part current state of the art and future directions. This volume is key reading for all engaged in the study and research of language gender and sexuality within English language sociolinguistics, discourse studies, applied linguistics and gender studies. Research Methods in Applied Linguistics Brian Paltridge, Aek Phakiti, 2015-08-27 Research Methods in Applied Linguistics is designed to be the essential one volume resource for students. The book includes qualitative, quantitative and mixed methods research techniques and approaches, ethical considerations, sample studies, a glossary of key terms, resources for students. As well as covering a range of methodological issues, it looks at numerous areas in depth, including language learning strategies, motivation, teacher beliefs, language and identity, pragmatics, vocabulary and grammar. Comprehensive and accessible, this is the essential guide to research methods for undergraduate and postgraduate students in applied linguistics and language studies. **Researching Language, Gender and Sexuality** Helen Sauntson, 2019-11-25 Researching Language Gender and Sexuality leads students through the process of undertaking research in order to explore how gender and sexuality are represented and constructed through language. Drawing on international research, Sauntson incorporates a fluid understanding of genders and sexualities and includes research on a diverse range of identities. This accessible guidebook offers an outline of the practical steps and ethical guidelines involved when gathering linguistic data for the purpose of investigating gender and sexuality. Each chapter contains up to date information and empirical case studies that relate to a range of topics within the field of language gender and sexuality, as well as suggestions for how students could practically research the areas covered. Student friendly, this is essential reading for undergraduate and postgraduate students of English language, linguistics and gender studies. Speaking Up Allyson Jule, 2018-07-03 From slut shaming to the allegedly shrill

voices of female politicians from vocal fry to online misogyny the language women use and the language used about them is as controversial as it has ever been Our language use and our gender have an enormous impact on the way we understand ourselves and the world around us and the way we are treated by society Using the latest academic research Allyson Jule tackles some of the most pressing issues facing feminism today including how language use and related ideas about gender play out in the home workplace and online It turns out that many popular ideas about gender and language are more complicated than they first appear This book will change the way you think about language and give you the tools to challenge the world around you

Linguistic Perspectives on Sexuality in Education Łukasz Pakuła, 2021-03-23 This book brings together leading academics and practitioners working in the area of language gender sexuality and education consolidating recent developments and moving the field forward in a contemporary context This unique and timely volume captures current themes debates theories and methods in the field and will be of interest to scholars and practitioners working around the world in the areas of Applied Linguistics Teaching English as a Foreign Language Education Sociology and Discourse Studies

A Beginner's Guide to Language and Gender Allyson Jule, 2017-05-16 In this revised and updated 2nd edition of her pioneering textbook Allyson Jule offers fresh insights into the study of language and gender for those new to the subject Students will gain a thorough grounding in theoretical and practical perspectives on gender and language in the workplace media school religion and domestic settings Updates to the 2nd edition include discussion of language and rape culture LGBTQ terminology language and social media gaming eco feminism and language gender and Islam The book is an ideal introductory text for courses specifically focused on language and gender as well as those where an understanding of these issues would be helpful Written in an engaging and reader friendly style with study questions suggestions for further reading and a glossary this book is the ideal starting point for students wishing to understand how language and gender interact in the modern world

Young Children's Perspectives on Teacher Gender David Brody, Yuwei Xu, Kari Emilsen, Laetitia Coles, 2025-08-29 This book draws on ethnographic studies in nine countries across six continents to examine young children's perspectives on their male and female teachers Contributors from China Brazil Australia South Africa Israel Turkey Norway the UK and the USA present case studies based on early childhood education sites where both men and women work Using the Mosaic approach the book uses data collected through various methodologies along with extensive observations and interviews with setting directors teachers and parents The chapters highlight the children's perspectives on their caregivers and teachers within their sociocultural contexts The authors also consider macro level cultural contexts to enhance the micropicture from the children's evidence and demonstrate how children's perspectives are influenced by various ecologies and cultural contexts with intersectionality such as tradition race and religion playing important roles The book ends with a cross country analysis and recommendations for gender sensitive pedagogies that consider local cultural gender sensibilities This groundbreaking book will appeal to scholars and researchers in early

childhood education gender and sexuality in education and diversity and equity in education Language, Sexuality and Education Helen Sauntson, 2018-03-15 A path breaking study of the role played by language in constructing sexual identities in schools It will be of keen interest to a wide audience of educational practitioners and academics in the fields of applied linguistics gender studies and English language and linguistics *BASA 2019* Prasetyo Adi Wisnu Wibowo , Suwardi Endraswara, Teguh Supriyanto, Kundharu Saddhono, Pardi, 2020-06-18 This proceeding contains selected papers of The International Seminar On Recent Language Literature And Local Culture Studies *Kajian Mutakhir Bahasa Sastra Dan Budaya Daerah BASA* held on 20 21 September 2019 in Solo Indonesia The conference which was organized by Sastra Daerah Faculty of Cultural Sciences Universitas Sebelas Maret and Culture Studies Postgraduate Program of Universitas Sebelas Maret The conference accommodates topics for linguistics in general including issues in language literature local cultural studies philology folklore oral literature history art education etc Selecting and reviewing process for the The International Seminar On Recent Language Literature And Local Culture Studies *Kajian Mutakhir Bahasa Sastra dan Budaya Daerah* was very challenging in that it needs a goodwill of those who were involved in such a process More than ten experts were invited in reviewing giving suggestions for revision and at last selecting the papers On that account we would like to forward our appreciation and our gratefulness to such invited experts for having done the process The committee received more than 180 papers from the participants and based on the results of the review only 141 papers were declared fit to be presented at the seminar and subsequently published in the proceedings of *BASA 3 2019* Papers in the proceeding are expected to give academic benefits especially in broadening the horizon of our understanding in language literature and local culture studies We realize that what we are presenting for the publication is till far for being perfect Constructive criticism is very much welcome for improvement Finally the committees thank for the participation and congratulate for the publication of the papers in the proceedings of *BASA 3 2019* The committees also thank all those who have supported and actively participated for the success of this event Hopefully these Proceedings can be used as references in developing technology and improving learning activities in the fields of education social arts and humanities
