

“ASP DNA” Standards

ASP equipment is designed to meet the real needs of working police officers. In order to make it to the streets, “ASP DNA” must be reflected in every product. Some of these criteria include:

- ✓ It must make a unique and positive contribution to the law enforcement profession.
- ✓ It must demonstratively outperform anything else in its class.
- ✓ It must meet or exceed our high standards of design, quality, and reliability.

Asp Baton Training Manual:

For Security Personnel, DEFENSIVE BATON, 2020 Mürsel Sevindik, 2020-04-17 This book covers Defensive Baton issues for law enforcement officer The goal is for the officers to understand and demonstrate the tactical fundamentals of the baton in an operational setting and its proper use as an intermediate impact weapon One of the major dilemmas facing law enforcement today is the continually increasing number of assaults on police officers as they perform their duties How can the officer respond to this critical situation without resorting to deadly force Modern law enforcement tool has been developed to increase officers ability to protect themselves particularly in those cases not justifying the use of deadly force That tool is the baton The ability to use force lawfully against the public is the primary factor which distinguishes the police from the rest of society The police service is unique in society as they are the only civil organization that has been given the authority to use force As a result of this responsibility the use of force by the police comes under close scrutiny by both the public and the courts The baton can be utilized when empty hand techniques are not effective A trained officer who is proficient in the use of the baton is better able to protect himself and is less likely to resort to the use of his firearm The main purpose of the baton is to stun or temporarily disable rather than cause permanent injury The baton is not designed as a lethal weapon and is not an instrument of punishment It is to be used in a skillful manner to counter or stop an aggressive subject The techniques shown in this booklet has been universally accepted and are defensible in court They are designed to work efficiently for all officers male female small large fit and the less fit Topics and techniques presented in this book will be of both great interest and great value to trainers and students of law enforcement *Pro-Systems: Baton Reverse Grip System* Joseph Truncale, 2015-03-14 This baton manual takes a different approach on how to employ the standard straight police baton Whether you carry the expandable type of baton or the standard rigid model this text will provide a different perspective on how to use the baton for control and self defense The Baton Reverse Grip System BRGS was not created to take the place of any other baton system It was designated to increase an officer s options when employing the law enforcement straight baton in arrest and control situations **Practice Management for the Veterinary Team - E-Book** Heather Prendergast, 2023-11-09 Comprehensive coverage of practice management skills includes leadership financial management and strategic planning as well as telephone skills appointment scheduling admitting and discharging patients and communicating with clients Coverage of clinical assisting ranges from examinations and history taking for patients to kennels and boarding procedures Veterinary Ethics and Legal Issues chapter helps you learn to protect the practice and run a practice based on ethical principles and veterinary laws End of chapter review questions reinforce key concepts and measure mastery of the content End of chapter Practice Managers Survival Checklist allows you to review the most essential information Versatile text can be used by practice managers to study for the CVPM exam Updated content highlights important technological and professional updates to the field impacting medical record management New chapters covering

telehealth and practice integrative management software are included Current coverage includes a revised Leadership Professional Development and Human Resources chapter and expanded content in Strategic Planning and Marketing chapters

For Security Personnel, SOFT EMPTY HAND CONTROL, 2020 Mürsel Sevindik, 2020-04-14 This book covers Soft Empty Hand Control issues for law enforcement officer The goal is to demonstrate to officers the understanding of the principles and appropriate use of Soft Empty Hand Control techniques Law Enforcement officers are authorized to use a range of force options to preserve the peace prevent crimes maintain order and apprehend suspects Soft empty hand techniques are the first option of physical response used to restrain a person who is resisting By developing a high degree of proficiency with soft empty hand techniques the officer will be able to respond in a more effective manner with a minimal amount of force A police officer experiences different kinds of adverse situations while performing his her duty Sometimes his her own life may be threatened due to a suspect s actions Therefore it is essential for the officer to know defensive tactics to protect him her and to control adverse situations In modern society police have different responsibilities such as crime investigation providing security crime control etc Therefore the officer must be aware of special tactics by which he she can defend him herself against stabbing grabbing pushing kicking using sharp and dangerous weapons and firearms Within a fraction of a second a police officer must be able to react properly otherwise it may prove to be a fatal situation Every officer must be aware of defensive tactics and should be able to apply them effectively whenever required Topics and techniques presented in this book will be of both great interest and great value to trainers and students of law enforcement

FIREARMS INSTRUCTOR'S MANUAL R.E. Parham, 1999-01-01 This manual has been written with the Law Enforcement Firearms Instructor in mind It is an attempt to save the instructor time by furnishing already prepared outlines that cover most of the subject currently taught by and to law enforcement personnel The purpose of the manual is twofold First it can be used by current firearms instructors as a handy reference guide and also as a way of keeping all of the firearms outlines in one simple format By preparing the manual in this fashion all of an instructor s outlines are easily accessible should an instructor s class be challenged by the legal system Secondly this manual can be used as the text for firearms instructor initial certification classes Once the new instructor completes the basic certification course he or she will have a complete set of outlines that can be used for teaching their classes The first four outlines in this manual The Role of the Firearms Instructor Safety Responsibilities Record Keeping and Discipline are generally used during instructor development classes The rest of the outlines while also used in instructor development classes are also appropriate for basic recruit classes as well as classes that are designed for in service personnel The Appendix contains material that can be used as class handouts or made into overheads for class presentations Some of the courses can be used for general firearms qualification while others are used for training a specific skill such as linear and lateral movement or multiple attackers The manual has been written to take the pain out of the office work part of being a firearms instructor and to give the instructor more time to
