Underground Kings Aurora Rose Reynolds,2023-10-27 Assumption a thing that is accepted as true or as certain to happen without proof They say when you assume that you make an ass out of you and me Kenton Mayson learned this lesson firsthand when he made assumptions about Autumn Freeman and the kind of woman she is based on what little information he had What he finds out is she s not only beautiful but also smart funny a fighter and exactly the kind of woman he wants to share his life with Autumn made assumptions of her own about Kenton and now he needs to prove her wrong in order to protect her and their future Obligation An obligation is a course of action that someone is required to take whether legal or moral At six years old Myla was sent to a family her father and mother had chosen for her when they knew their time on earth was almost up What they were unaware of was what they thought would be her safe haven would become her living hell Kai has been watching

Myla from afar since he took over the family business from his father and inherited the responsibility of keeping her safe. When word gets back to Kai that Myla is not only in danger but that his assets are being compromised he immediately jumps into action and does the only thing that can be done at the time by marrying her. Neither Myla nor Kai would have thought that something that started off as a farce would become the most important thing either of them could've ever done.

Distraction The great intensity, novelty, or attractiveness of something other than the object of attention. Sven is a man who takes pride in his ability to separate himself from his emotions. He's a man who knows who he is and where he's going in life; a man who needs no one because needing someone is a weakness. His past taught him love isn't enough. Maggie wants the happily ever after but has never picked the right man or stuck around long enough to build a forever. It's always been easier to get out early before emotions make things messy. When Maggie wakes up naked in Sven's bed with no memory of the night before, these two must be honest about their feelings and face their fears so they can build a future together. Will love be enough for them to get their happy ending together, or will a threat from outside strike them down before they ever have a chance?

Infatuation A feeling of foolish or obsessively strong love, admiration, or interest in someone or something; a strong and unreasoning attachment. From the moment Justin sees the beautiful blonde living in the apartment below his, he becomes curious, and over time that curiosity turns into an obsession. When the moment finally strikes for him to make a move, will he take it?
