Asterix En De Waarheid

George Kovacs, C. W. Marshall

Asterix En De Waarheid:

De StripDatabank Peter Bonte, 2004 **Son of Classics and Comics** George Kovacs, C. W. Marshall, 2016 Son of Classics and Comics presents thirteen original studies of representations of the ancient world in the medium of comics Building on the foundation established by their groundbreaking Classics and Comics Kovacs and Marshall have gathered a wide range of studies with a new global perspective **Asterix - die ganze Wahrheit** René van Royen, Sunnyva van der Vegt, 2008 **Germanic Texts and Latin Models** Karin E. Olsen, Antonina Harbus, Tette Hofstra, 2001 Medieval writers who translated Latin texts into Germanic vernaculars not only transmitted their originals but driven by individualistic impulses and cultural conventions also transformed them This process of domesticating texts was fundamentally creative and might more accurately be described as reconstruction The essays in Germanic Texts and Latin Models Medieval Reconstructions explore the ways in which Latin texts and traditions were reconstructed in Old English Old Icelandic and Old High German and cover a range of genres legal texts genealogies histories and poetry They examine how medieval Germanic authors negotiated the need to transmit their models while at the same time fulfilling their own political artistic and didactic objectives in the creation of vernacular texts These new studies demonstrate the variety of ways in which medieval Germanic texts were indebted to their Latin exemplars while reflecting their new culturally specific circumstances in the complex nexus of Latin learning and Germanic lore *Asterix en de waarheid* René A. van Royen, Sunnyva van der Vegt, 1997 Rijk geïllustreerd overzicht van de historische en archeologische achtergronden van de stripserie Asterix **Microhistory and the Picaresque Novel** Binne de Haan, Konstantin Mierau, 2014-10-16 In the sixteenth century the picaresque novel introduced marginal figures wanderers beggars and thieves as the protagonists of elaborate prose narratives thus appearing to give a voice to hitherto unrepresented social types This raises several questions as to the referentiality of the picaresque text pertinent both to historians and literary scholars alike Microhistory can help investigate this referentiality of the picaresque text by revealing how particular historical agents perceived marginals and marginality and juxtaposing these agent perspectives to the literary representation Microhistory and the Picaresque Novel is the first publication to combine scholarship on the picaresque novel and the practice of microhistory This innovative volume argues that the approach of microhistorical studies such as *The Cheese and the Worms* by Carlo Ginzburg *Inheriting Power The Story of an Exorcist* by Giovanni Levi and *The Return of Martin Guerre* by Natalie Zemon Davis can be used to shed new light on classic picaresque novels such as *Guzmán de Alfarache* *Gil Blas* *Grimmelshausen* and their many epigones The volume brings together expert scholars on the picaresque novel such as Professor Robert Folger on the one hand and established microhistorians such as Professor Giovanni Levi on the other This exploration is further enriched with contributions by Professor Matti Peltonen an expert on history theory and Professor Hans Renders an expert on biography studies as well as providing case studies from recent research by the editors Binne de Haan and Dr Konstantin Mierau *En liefde in mindere mate* Doeschka

Meijsing, 2016-04-13 Tussen 1961 en 2012 hield Doeschka Meijsing een dagboek bij. Daarin deed ze verslag van haar vriendschappen en verliefdheden van de reizen die ze maakte en de boeken die ze las van de ruzies die ze uitvocht en de depressies waaraan ze leed. Al in 1962 ze was toen vijftien noteerde ze dat ze aan een roman werkte en nog voordat ze bij Querido zou debuten tekende ze in haar dagboek aan. Ze kunnen allemaal zeggen dat ik niet kan schrijven dat ik somber ben en fatalistisch dat ik helemaal niet gelukkig wil zijn dat ik lelijk ben goedkoop banaal. Ik blijf standhouden. Ik zal standhouden het schrijven en de liefde maar misschien het laatste minder. Gedurende de eerste jaren van haar schrijverschap werkte Doeschka Meijsing als docent Nederlands op het St Ignatiuscollege in Amsterdam als wetenschappelijk medewerker aan het Instituut voor Neerlandistiek van de Universiteit van Amsterdam en als redacteur bij Vrij Nederland. Dit eerste deel van een tweeluik toont haar ontwikkeling tot haar vertrek bij Vrij Nederland in 1987. Meijsings dagboek aantekeningen werden geselecteerd geannoteerd en van een inleiding voorzien door Ben Peperkamp hoogleraar moderne Nederlandse letterkunde aan de Vrije Universiteit Amsterdam en Annette Portegies uitgever van Querido. **Le monde miroir d'Astérix** Bernard de Choisy, Denis Clauteaux, Marc Jallon, 2005. *Goede keizers, slechte keizers* René van Royen, 2015-11-17 Goede keizers zijn almachtige heersers maar slechte ook. Hun onderdanen kunnen in de praktijk niet veel anders doen dan buigen en gehoorzamen. Ze kunnen hooguit hopen dat een goede keizer blijft en dat een slechte wordt vervangen. Geregeerd worden betekent afwachten, dulden en verdragen en vooral niet zelf iets doen. Keizers zijn het product van de Romeinen. Rome was ooit een republiek maar uit politieke onmacht werd het een keizerrijk waar n man met zijn aanhang alles besliste. Voor de komst van de Romeinen was Europa een continent van democratisch bestuurd republieken. Maar al gauw leerden de Europeanen te buigen voor de macht van de keizer. Ook toen de Romeinen van het toneel verdwenen waren bleef het maken van wetten, belasting innen, rechtspreken en regeren het werk van n man. Hoe deze macht en vooral de acceptatie ervan ontstaan zijn lees je in *Goede keizers, slechte keizers*. **We moeten eens koffie drinken** Koen van Vliet, Jozien Wijkhuijs, 2015-10-22 De creatieve industrie. Het is een industriële mindset, een containerterm, een vorm van erkenning. Het is ook een bezuinigingsmaatregel of zelfs een schaamlap, een muur van retoriek om het nog iets te laten lijken. Sommige ondernemers voelen zich thuis bij het idee van een creatieve industrie, anderen houden zich er zo weinig mogelijk mee bezig en weer anderen kunnen zich totaal niet vinden in de combinatie van de woorden creativiteit en industrie. Niemand weet wat de term creatieve industrie precies inhoudt, toch hebben duizenden ondernemers, professionals, wetenschappers en beleidsmakers er in hun dagelijkse werk mee te maken. Zelden vragen we ons af hoe kijken zij tegen dit begrip aan. Wat betekent ondernemen in deze industrie? Hoe definiëren zij de term? Welke rol heeft de creatieve industrie in onze samenleving? En wat drijft hen om hierin actief te zijn? We moeten eens koffie drinken is een verzameling verhalen van ondernemers en wetenschappers. Zij delen hun kijk op een maatschappelijke ontwikkeling waar ze of ze dat willen of niet onderdeel van zijn. Daarnaast plaatsen zij de creatieve industrie in een breder perspectief. De auteurs nemen je mee in hun verwondering over

de opkomst van het creatief ondernemerschap en de groeiende aandacht voor deze industrie We moeten eens koffie drinken
