Basic Counseling Techniques A Beginning Therapists Toolkit Paperback

Wayne Perry

Basic Counseling Techniques A Beginning Therapists Toolkit Paperback:

Basic Counseling Techniques Wayne Perry, 2008-01-21 Wayne Perry has been a therapist for more than thirty years but he still hears the same thing from beginning counselors and therapists Yes I know what the theory says but what do I do with this particular client Drawing on his decades of experience training marriage and family therapists professional counselors and pastoral counselors he answers that question in the updated edition of his landmark book *Basic Counseling Techniques* He provides practical suggestions for setting up the therapy room using audiovisual recording equipment and conducting those first critical interviews You ll learn how to apply nine different sets of clinical tools select the appropriate tool for the appropriate clinical situation and improve how you carry out the clinical thinking process Each chapter concludes with a Living into the Lesson section that allows you to participate in experiential exercises to master what you ve learned While designed for counselors and therapists in the beginning of their careers even veterans in the field will find value in this updated edition

Listening to Your Sheep: Wayne Perry, 2006-02-16 Did you see the way that guy acted at that meeting I cant believe someone would act that way in church If you have ever heard or perhaps thought or said something like this *Listening To Your Sheep* is for you Based on more than ten years of research *Listening To Your Sheep* uses the common Biblical image of the people of God as sheep to describe the major types of people who are bound to be in every congregation Not only does Dr Wayne Perry describe the sheep and how they are likely to respond in common situations in a congregation he also gives concrete advice the leaders of the congregation can use to work more effectively with these sheep The book begins with some necessary background on listening skills and on the rules by which all human systems from families to congregations to multinational organizations operate With this foundation in place each succeeding chapters describes a particular kind of sheep which will be found in every religious body Listening is indeed key to diagnosing each type of sheep As the author points out to diagnose actually means to listen thoroughly Dr Perry shows how to listen to the words and the actions of the people in the congregation to understand what type of sheep you are working with Each chapter also shows what happens when this type of sheep become a shepherd that is when the sheep becomes a leader of the body The results are often fascinating All the more so because the practical suggestions Dr Perry provides are based on research into and observations of many different religious groups You are sure to hear someone you know in this book
