Law and the "Sharing Economy" Derek McKee, Finn Makela, Teresa Scassa, 2018-11-27 Controversy shrouds sharing economy platforms It stems partially from the platforms economic impact which is felt most acutely in certain sectors Uber drivers compete with taxi drivers Airbnb hosts compete with hotels Other consequences lie elsewhere Uber is associated with a trend toward low paying precarious work whereas Airbnb is accused of exacerbating real estate speculation and raising the cost of long term rental housing While governments in some jurisdictions

have attempted to rein in the platforms technology has enabled such companies to bypass conventional regulatory categories generating accusations of unfair competition as well as debates about the merits of existing regulatory regimes Indeed the platforms blur a number of familiar distinctions including personal versus commercial activity infrastructure versus content contractual autonomy versus hierarchical control These ambiguities can stymie legal regimes that rely on these distinctions as organizing principles including those relating to labour competition tax insurance information the prohibition of discrimination as well as specialized sectoral regulation This book is organized around five themes technologies of regulation regulating technology the sites of regulation local to global regulating markets and regulating labour Together the chapters offer a rich variety of insights on the regulation of the sharing economy both in terms of the traditional areas of law they bring to bear and the theoretical perspectives that inform their analysis Published in English Airbnb For Dummies Symon He,James Svetec,2020-08-04 Make extra money and your guests extra happy with Airbnb You ve got that spare tower mansion apartment couch or perhaps even treehouse really there are more than 2 400 treehouses listed on Airbnb You re a polite clean and tolerant host And you want to make some money Congratulations you re fully qualified to become part of the Airbnb revolution Whether you re looking to break into the business or have already started and are researching ways of making your guests feel even more pampered as you grow your reputation and income Airbnb for Dummies is the perfect venue for you And this applies whether you currently own property or not Sit back in your lounge recliner and let the owners and founders of Learnairbnb com show you the ins and outs of the short term rental boom that connects hosts with travelers looking for more economical and personal travel experiences across the world Sip a refreshing drink as you learn how to manage the day to day from maintaining listings to keeping things clean for your guests and how to maximize and increase your profits Make an attractive listing Perfect your pricing Profit without a property Create amazing guest experiences So get hold of a copy read it in your favorite spot and watch as the money and excited guests beat a path to your door The Airbnb Bible: From Beginner to Rental Tycoon in Less Than a Year Raúl Páramo, **Essays on Mediation** Ian Macduff,2016-09-16 Across a range of jurisdictions in differing legal systems mediation is achieving evergreater institutional and statutory force and what not long ago was a marginal technique for dispute resolution is becoming mainstream and orthodox But how firm a sense do we have about the social formation we call mediation Through reflections and case histories this distinctive collection of essays by experienced mediators from across the globe provides a clearer understanding than we have had heretofore of what mediation is and what it can offer as a practical accessible and positive alternative in civil justice systems The authors each address ways mediation has been or can be applied to dispute resolution in such pressing contexts as the following enduring and intense conflicts planning and environmental issues conflicts arising between refugee and host communities elder care intercultural settings online communication science based disputes and public policy disputes The questions raised as to access to justice identifying unmet needs improving the provision of services

and fostering an ongoing conversation on mediation go well beyond the confines of commercial dispute resolution and the walls of courtrooms Through the practical experiences described useful and insightful perspectives emerge on the practice principles and legitimacy of mediation These invaluable reports and reflections on the powerful resources that mediation and mediators can bring to the table will be welcomed by a diversity of legal practitioners and jurists as well as academics
