Burn the Ice Kevin Alexander,2020-07-14 Inspiring Danny Meyer CEO Union Square Hospitality Group Founder Shake Shack and author Setting the Table James Beard Award winning food journalist Kevin Alexander traces an exhilarating golden age in American dining with a new Afterword addressing the devastating consequences of the coronavirus pandemic on the restaurant industry Over the past decade Kevin Alexander saw American dining turned on its head Starting in 2006 the food world underwent a transformation as the established gatekeepers of American culinary creativity in New York City and the Bay Area were forced to contend with Portland Oregon Its new no holds barred casual fine dining style became a template for other cities and a culinary revolution swept across America Traditional ramen shops opened in Oklahoma City Craft cocktail speakeasies appeared in Boise Poke bowls sprung up in Omaha Entire neighborhoods like Williamsburg in Brooklyn and cities like Austin were suddenly unrecognizable to long term residents their names becoming shorthand for the so called hipster movement At the same time new media companies such as Eater and Serious Eats launched to chronicle and cater to this developing scene transforming nascent star chefs into proper celebrities Emerging culinary television hosts like

Anthony Bourdain inspired a generation to use food as the lens for different cultures. It seemed for a moment like a glorious belle époque of eating and drinking in America. And then it was over. To tell this story, Alexander journeys through the travails and triumphs of a number of key chefs, bartenders and activists as well as restaurants and neighborhoods whose fortunes were made during this veritable gold rush, including Gabriel Rucker, an originator of the 2006 Portland restaurant scene; Tom Colicchio of Gramercy Tavern and Top Chef fame; as well as hugely influential figures such as André Prince Jeffries of Prince's Hot Chicken Shack in Nashville and Carolina barbecue pitmaster Rodney Scott. He writes with rare energy, telling a distinctly American story at once timeless and cutting edge about unbridled creativity and ravenous ambition. To burn the ice means to melt down whatever remains in a kitchen's ice machine at the end of the night. Or at the bar to melt the ice if someone has broken a glass in the well. It is both an end and a beginning. It is the firsthand story of a revolution in how Americans eat and drink.

Saving the Republic Roger Kimball, 2018-01-23

America is embroiled in ideological conflict with the opposing partisan bulwarks of the Left and the Right widening a chasm that threatens the unity of our Republic. The tumult in Washington has radiated into our universities, homes and relationships from constitutional threats to the imposition on free speech to a sprawling unelected administrative state. America is at a tipping point. Fortunately, Encounter's Broadside and Intelligence series offer indispensable ammunition for intelligent debate on these critical issues of our time. With a staunch allegiance to the truth, these timely essays resurrect 18th century pamphleteering to take on everything from the failures of the redistribution of wealth to the twisting of Title IX to the dangers of the increasingly unchecked media bias. *Saving the Republic*, a collection of Encounter interventions, is a necessary resource of critical thought and commonsense on how to safeguard the promise of America. *Saving the Republic* is edited by Roger Kimball with contributions from Jay Cost, Philip Hamburger, Mollie Ziegler Hemingway, David B. Kopel, Greg Lukianoff, Andrew C. McCarthy, Jared Meyer, James Piereson, Claudia Rosett, Avik Roy, Robert L. Shibley, Michael Walsh and Kevin D. Williamson. Together, these authors make the definitive case for liberty and democratic capitalism at a time when they are under siege from the resurgence of collectivist sentiment.

The Wax Pack Brad Balukjian, 2020-04-01

Is there life after baseball? Starting from this simple question, *The Wax Pack* ends up with something much bigger and unexpected: a meditation on the loss of innocence and the gift of impermanence for both Brad Balukjian and the former ballplayers he tracked down. To get a truly random sample of players, Balukjian followed this wildly absurd but fun as hell premise: he took a single pack of baseball cards from 1986, the first year he collected cards, opened it, chewed the nearly thirty-year-old gum inside, gagged and then embarked on a quest to find all the players in the pack. Absurd, maybe, but true. He took this trip solo in the summer of 2015, spanning 11,341 miles through thirty states in forty-eight days. Balukjian actively engaged with his subjects, taking a hitting lesson from Rance Mulliniks, watching kung fu movies with Garry Templeton and going to the zoo with Don Carman. In the process of finding all the players, but one, he discovered an astonishing range of experiences and untold stories in their post-baseball lives, and he realized that we all have more in

common with ballplayers than we think While crisscrossing the country Balukjian retraced his own past reconnecting with lost loves and coming to terms with his lifelong battle with obsessive compulsive disorder Alternately elegiac and uplifting The Wax Pack is part baseball nostalgia part road trip travelogue and all heart a reminder that greatness is not found in the stats on the backs of baseball cards but in the personal stories of the men on the front of them One Lucky Fan Rich O'Malley, 2019-06-04 Ever watch a big game on TV and say I would give anything to be there right now For Rich O Malley that desire turned into a quest that plopped him down in hundreds of bleachers and box seats Once Rich had swept through all 30 Major League Baseball stadiums he focused on a bigger prize seeing a home game for all 123 teams in the four major U S pro sports leagues MLB NBA NHL and NFL This is the story of Rich s pursuit of that goal It begins with his childhood roots as a fan and takes you back to relive some of the most historic and just plain unbelievable moments he s experienced firsthand It culminates in a 25 000 mile two month whirlwind tour Rich undertook to fulfill his dream Throughout he contemplates the qualities that unite fans even rivals Rich weaves this concept into the story encouraging readers to reminisce about favorite memories and hoping to inspire their own adventure Some of us keep an envelope of old ticket stubs O Malley would need a hammock Follow along as he zig zags across North America to check off the ultimate sports fan bucket list What most of us have only heard about in legend or seen on TV like the roar of the 12th Man in Seattle O Malley has seen firsthand And from Black Friday at the Mall of America to the National Civil Rights Museum in Memphis he serves up a bit of Americana with every stop His journey will have readers itching to take a sports quest of their own Sarah Spain ESPN
