Approaching God Accepting The Invitation To Stand In The Presence Of God:

Approaching God Steve Brown, 2008-09-02 A spiritual guide on how to pray cites the importance of focusing on God rather than on oneself while it defines the basic theology of prayer and addresses such issues as unanswered prayers **The Liberating Anointing** Dr Ken Baker, 2015-12-11 God must build our anointing strong so He can lay His glory thick Alisa Hope Wagner But what is the Anointing In this little book the author examines Isaiah's prophecy in chapter 61 and makes the challenge that the anointing that Jesus claimed for Himself at the beginning of His ministry is ours too if we are in Christ In Christ we come into a wonderful new liberty of joy and praise It's the anointing that breaks every last vestige of our old slave chains As Steve Brown put it so boisterously You ought to live your life with such freedom and joy that uptight Christians will doubt your salvation As we consider the aspects of this empowerment my God indeed lay His glory thick Handling Grace Dr Ken Baker, 2015-12-10 This little book is a series of discussion starters designed to accompany the Theology Lectures of Elim Academy Dublin It is written from the conviction that theology should be hands on and accessible street level and centered in Grace rather than laying down the law As Pope Francis put it Grace is not part of consciousness it is the amount of light in our souls not knowledge nor reason Grace Notes Dr Ken Baker, 2016-07-02 A grace note is a music notation that the individual performer has to interpret for himself Isn't that amazing Here's the main melody the composer seemed to say and sort the rest of it out for yourself It's like a parable for how to do life There are general broad principles to follow like the Ten Commandments but the real fun comes in the grace notes the extra bits that you learn to play by feel The New Testament word is Charis In modern Greek it's the word for birthday present Imagine that Something you just don't deserve at all but which is rather nice and makes you smile inside This is a prayer journal that is to say it's a daily collected random assortment of prayers notes from books that I'm reading and reflections on my daily reading of the Bible Some of these pieces made it into sermons or even into magazine articles Most languished in online blogs until summoned into service into this little book of grace notes Hope you hear the song Courage, Dear Heart Rebecca K. Reynolds, 2018 The world is broken I am broken And my need is dire This stark revelation is the path to divine surrender Our courage has a chance to flourish when we reach a point where we have no control and nothing to lose In a series of letters Rebecca Reynolds uses imagery to breathe truth to the lonely the weary the restless and afraid If you feel the ache of brokenness you will be refreshed by the source of all courage illuminated in these pages God is available and wants to join you in the midst of any mess You can take heart As Aslan of Narnia whispered and only Lucy heard Courage dear heart What Does God Say About That?, 2013-02-15 What the Bible Says about Timely Issues The Bible covers a vast array of subjects but many people don't know how to find what it says about a specific issue Including over 200 popular topics this easy to use reference will give readers the answers they're looking for God has something to say about almost any issue readers are wondering about from expected topics such as heaven and hell to surprising ones like the environment homosexuality abortion the death

penalty birth control poverty civil disobedience and immigration They ll find easy to access trustworthy answers straight from God s Word **Every Day with Jesus** Worthy Books,2011-09-27 Daily inspiration from the greatest Christian writers of all time in a beautifully designed insightful one year devotional Each one page 150 word devotional references a memorable quote from a famous song lyrics followed by a thoughtful exposition Each day also includes a Bible verse and seed prayer This attractive book will challenge motivate and stir readers hearts and encourage them in their daily walk with God

Increasing the Presence of God Bill Vincent,2023-06-02 There is always a sound being emitted from the earth to the heavens and from the heavens to the earth a divine exchange if you will It exists in the unseen realm in the form of energy patterns waves and particles and while the great majority of it is not audible to our natural ear we can perceive it because we are a part of it God hears what we say and I believe He has an ever flowing answer that we need to be aware of and tune into with our spirit man in order to tap into the constant communion we may have with Him We typically refer to it as spirit to spirit deep to deep as does Scripture that they may be one just as We are one I in them and You in Me Jesus prays in John 17 on our oneness with Him Whether we are aware of it or not our world as we know it would not exist without that ongoing exchange in Him all things consist When God created our entire existence He set it in motion by releasing His sound His Word Let there be Light *Dwelling With God* Brandon Nicholson,2023-05-26 For forty years in the desert wilderness the Tabernacle was the focal point of the Israelite camp It served as the meeting place for God and His people He gave specific instructions on the design of this structure in order to provide a place for Him to dwell with His special creation Dwelling with His people has always been God s greatest desire However there was always a barrier that prevented that intimate relationship with God Ever since the Garden of Eden sin had corrupted humanity and kept God at a distance A sinful humanity could not approach a holy and perfect God The wilderness Tabernacle followed a specific God given design in order to provide a way to deal with this sin issue and give God s people a way to worship and approach Him Every element had a practical function and a purpose but more importantly pointed ahead to something greater This structure was designed to be just a temporary fix to deal with sin but it would foreshadow a way or more accurately a person that would be capable of putting an end to this sin issue forever As we spend forty days on a journey through the Tabernacle we will talk about every element discussing its function and symbolic meaning As Christians today the Tabernacle is not the focal point of our worship like it was for the Israelites but by studying this ancient structure we can still learn so much about God and His love for His creation Join me on this journey through the Tabernacle and discover all that God had in mind when He gave Moses the blueprints The Tabernacle was built so He could dwell with His people again As you will see along this journey that desire to dwell with His people still holds true today *Intimacy with God* Martin Ossei,2021-02-23 Love demands intimacy Intimacy refers to a close relationship with someone deeply knowing a person and feeling deeply known by that person Every lover wants intimacy with the object of their love and this produces joy for both Right from the beginning of creation God has

desired intimacy with man and therefore when we draw close to God it makes Him happy King David says in Psalm 16 11 that there is fulness of joy and pleasures forevermore in the presence of the Lord Thus intimacy with God makes us joyful and brings much joy to God This book aims to help us develop an intimate relationship with God You will discover God s heart for man and our role in this divine love affair This book will surely lift you up into a holy romance with God Enjoy reading
