April Once William Alexander Percy:

William Alexander Percy Benjamin E. Wise,2012-03-12 In this evocative biography Benjamin E Wise presents the singular life of William Alexander Percy 1885 1942 a queer plantation owner poet and memoirist from Mississippi Though Percy is best known as a conservative apologist of the southern racial order in this telling Wise creates a complex and surprising portrait of a cultural relativist sexual liberationist and white supremacist We follow Percy as he travels from Mississippi around the globe and always back again to the Delta Wise s exploration brings depth and new meaning to Percy s already compelling life story his prominent family s troubled history his elite education and subsequent soldiering in World War I his civic leadership during the Mississippi River flood of 1927 his mentoring of writers Walker Percy and Shelby Foote and the writing and publication of his classic autobiography *Lanterns on the Levee* This biography sets Percy s life and search for meaning in the context of his history in the Deep South and his experiences in the gay male world of the early twentieth century In Wise s hands these seemingly disparate worlds become one *In April Once William Alexander Percy*,1920 *Collected Poems of William Alexander Percy* William Alexander Percy,2013-11-20 Nothing would have given Will Percy greater delight he died in January 1942 than this *Collected Poems* for although he was lawyer soldier cosmopolitan plantation owner and patriot it was as a poet that he chose to think himself And indeed this is a volume to be treasured by those whose memories go fondly back to days of quieter more contemplative living For Percy was not in any sense a modernist his love of tradition is as evident in these poems as it was in his prose Here again is the same gentle quality of nostalgia which has made *Lanterns on the Levee* one of the most charming and authentic pictures of the old South at its best Percy s first book of poems *Sappho in Levkas* was issued in 1905 and was followed by three others In *April Once* 1920 *Enzio s Kingdom* 1924 and *Selected Poems* 1930 In all of his poetry Percy s phrasing is lyric and dramatic his verse forms subtly musical and finely regular truly the work of a man who dreamed of the past and feared all too prophetically a dark and ominous future *William Faulkner Day by Day* Carl Rollyson,2022-10-12 William Faulkner has been the topic of numerous biographies papers and international attention Yet there are no collected resources providing a comprehensive scope of Faulkner s life and work before now *William Faulkner Day by Day* provides unique insight into the daily life of one of America s favorite writers Beyond biography this book is an effort to recover the diurnal Faulkner to write in the present tense about past events as if they are happening now More importantly this book is concerned with more than the writer s life Instead it examines the whole man the daily mundane profound life changing and everything in between Spanning from the 1825 birth of Faulkner s great grandfather to Faulkner s death 137 years later to the day author and biographer Carl Rollyson presents for the first time a complete portrait of Faulkner s life untethered from any one biographical or critical narrative Presented as a chronology of events without comment this book is accompanied by an extensive list of principal personages and is supported by extensive archival research and interviews Populated by the characters of Faulkner s life including family and

friends both little known and internationally famous this book is for Faulkner readers of all kinds with a wide variety of interests in the man and his work *Public Libraries* ,1921 **Mississippi Writers** Dorothy Abbott,1986-05 Nonfiction
 recounting the experience of growing up in the Deep South **Confederate Sympathies** Andrew Donnelly,2025-04-15 The
 archive of the Civil War era is filled with depictions of men s same sex affections and intimacies Across antebellum campaign
 biographies proslavery fiction published memoirs of Confederate veterans and Union prisoners of war Civil War novels
 newspaper accounts and the war s historiography homoerotic symbolism and narratives shaped the era s politics as well as
 the meaning and memory of the war The Civil War in turn shaped the development of homosexuality in the United States In a
 book full of surprising insights Andrew Donnelly uncovers this deeply consequential queer history at the heart of nineteenth
 century national culture Donnelly s sharp analytical eye particularly focuses on the ways Northern white men imagined their
 relationship with white Southerners through narratives of same sex affection Assessing the cultural work of these narratives
 Donnelly argues that male homoeroticism enabled proslavery coalition building among antebellum Democrats fostered
 sympathy for the national retreat from Reconstruction and contributed to the victories of Lost Cause ideology Linking the era
 s political and cultural history to the history of homosexuality Donnelly reveals that male homoeroticism was not inherently
 radical but rather cultivated political sympathy for slavery the Confederacy and white supremacy *William Faulkner*
 Cleanth Brooks,1989-12-01 In this companion volume to William Faulkner The Yoknapatawpha Country Cleanth Brooks takes
 an in depth look at Faulkner s early poetry and prose as well as his five non Yoknapatawpha novels Soldiers Pay Mosquitoes
 Pylon The Wild Palms and A Fable Brooks also offers relevant clarification of some of his earlier interpretations of Faulkner
 that have been challenged most notably in the case of Faulkner that have been challenged most notable in the case of
 Absalom Absalom which he considers Faulkner s greatest novel Recognizing that the creative and imaginative center of
 Faulkner s art is Yoknapatawpha County Brooks examines the merits of each of the works set beyond these boundaries and
 explores how these writings complement Faulkner as an artist He sheds light on the literary sources that influenced Faulkner
 s early work and the technical innovations and general themes Faulkner was to develop in his later writing The notes and
 appendixes with which Brooks concludes Toward Yoknapatawpha and Beyond serve only to amplify this comprehensive study
