

Part 1

For each of the two issues, construct your own paragraph in part 1 and answer the following questions.

1. What historical values are reflected in your paragraph on the issue to which you respond? What government role does this suggest?

The values of order, self-reliance, and freedom are the ones I see. I think of the American way.

2. In what ways are your own values different from those of someone writing in the "Other" category from issue 1?

My values are different from those of someone who is more concerned with the government's role in the economy. I think of the American way.
