Ask and You Shall Receive Pierre Morency, 2015-07-29 *Ask and You Shall Receive* faces complicated questions head on using a potent combination of insights from physics natural human curiosity and grounded experimentation to subject the standard perceptions of the world to rigorous testing The results promise to transform the views one holds of the world money and work The outcome of this task a kind of conceptual electroshock convincingly demonstrates the reality of the Garden of Eden and the basic insight that knowing exactly what one wants is the key to obtaining it *Ask and You Shall Receive* presents its approach and discoveries in four sections that introduce the topic examine the scientific principles of success describe the actions to take and explain the laws of the Tao of business Along the way a number of questions arise for consideration and response Why should one say no to security in order to increase revenue Why should one work no more than thirty five hours per week Why should children educate their parents Why does one use one's spine as an antenna Why should one test test and test again If these questions capture your attention if you want to achieve clarity about what you desire and to obtain the objects of those desires and if you want to know the truth about your life and its place in the world then *Ask and You Shall Receive* will serve as your guide You can answer your questions and attain your goals

Ask and You Shall Receive Celestino de Ávila, *Ask and You Shall Receive* is more than a proposal for reflection on the greatest statements ever made about the potential of the human soul it is an invitation to total and absolute change In our current world where we live in an increasingly challenging increasingly competitive world where we are constantly subjected to a series of stressful and worrying situations each person needs to find the strength not only to survive but to overcome evolve and build a more stable and secure life for themselves and their loved ones Jesus said You will know the truth and the truth will set you free His words are an accusation that we do not know the truth and that we are not truly free beings Indeed we can truly define ourselves as beings who live in great worry fear of getting sick losing our jobs being alone fear of the future among other phobias The fact is we do live under constant stress which affects our health our

emotional state and our mental and psychological conditioning Who among us is truly fulfilled who is truly the person we would like to be to have what we would like to have to do what we would like to do The truth is that the vast majority of people merely survive fearful and worried about their future and that of those dear to them those who depend on them But the enlightened Master also stated several times All things are possible to him who believes ask and you shall receive His words are wise and powerful they elevate every human being to the status of a true child of God and not a worried fearful begging being begging not to be struck by situations that would place them in greater difficulties Jesus goal was always to lead each person toward the light to see their relationship with the FATHER the Supreme and Absolute Being sustainer of all existence throughout the universe Jesus always invited each being to find the Kingdom of God within themselves that is to find their peace their mental emotional psychological and physical balance within themselves within their consciousness within their self The statement Ask and You Shall Receive is very powerful it is liberating and it can lead each person to the construction of paradise here on earth But the vast majority of people are unaware of this power failing to recognize themselves as creatures born of the Infinite Power which is God The purpose of this work is not to promote a magical transformation but to propose a reflection on the clearest and most powerful teachings ever given by anyone in our world Each person supported by the power of their intelligence will be able to make an unbiased analysis free from corrosive and harmful influences and conclude for themselves about the precious truths left by the wisest and purest being who ever visited our world Ask and You Shall Receive is an invitation for each person to dedicate an hour perhaps two to reflect and analyze why Jesus would speak and affirm repeatedly that each being is capable of doing anything if not so that each person could free themselves from everything that limits them and worries them Why did Jesus through his words elevate each person to the condition of doing works even greater than those he did In the pages of this work we dedicate ourselves to analyzing and reflecting on the powerful statements made by the Holy Master and how they are the gateway to a more successful fuller and more fulfilled life in all layers of our existence

Everyday Revolutionary Bible Study Guide plus Streaming Video J.D. Greear, 2025-10-07 Living quietly for God and speaking your faith loudly Have you felt the tension between living faithfully as a Christian and navigating an increasingly complex cultural landscape Perhaps you've found yourself wrestling with questions that seem to have no clear answers Questions such as When should you speak up and when should you stay silent How can you show love to your neighbors while standing firm in your convictions What does it mean to be both gracious and truthful in a world that often sees these as mutually exclusive Join pastor J D Greear as he answers these questions by looking at the life of Daniel a Jewish man who was distinctively faithful yet genuinely beloved in the culture of Babylon and at the writings of Peter and other New Testament authors who used Babylon as a metaphor for the secular world after Jesus ascension In the process you will discover what it means to live quietly in this world while testifying loudly for Christ whether that is in your workplace children's school neighborhood or even on social media This study guide includes Individual
