

“ASP DNA” Standards

ASP equipment is designed to meet the real needs of working police officers. In order to make it to the streets, “ASP DNA” must be reflected in every product. Some of these criteria include:

- ✓ It must make a unique and positive contribution to the law enforcement profession.
- ✓ It must demonstratively outperform anything else in its class.
- ✓ It must meet or exceed our high standards of design, quality, and reliability.

Life: A User's Manual Georges Perec, 2009-07-01 The renowned French author s modern masterpiece one of the great novels of the century on the level of Joyce Proust Mann Kafka and Nabokov Boston Globe Structured around a single moment in time 8 00 p m on June 23 1975 Georges Perec s elaborate jigsaw puzzle of a novel begins in an apartment block in Paris where chapter by chapter room by room a rich cast of characters is revealed in a series of tales that are bizarre unlikely moving funny and sometimes quite ordinary Rolling Stone From the confessions of a racing cyclist to the plans of an avenging murderer from a young ethnographer obsessed with a Sumatran tribe to an eccentric English millionaire who has devised the ultimate pastime Life A User s Manual is a symphony of human irony portraying the mixed marriages of fortunes passions and despairs betrayals and bereavements of hundreds of lives in Paris and around the world The apartment block s one hundred rooms are arranged in a magic square and the book as a whole is peppered with a staggering range of literary puzzles and allusions acrostics and problems of chess and logic All are there for the reader to solve Those who have a taste for the unusual for books that create worlds unto themselves will be dazzled by this crazy quilt monument to the imagination The New York Times Book Review

For Security Personnel, DEFENSIVE BATON, 2020 Mürsel Sevindik, 2020-04-17 This book covers Defensive Baton issues for law enforcement officer The goal is for the officers to understand and demonstrate the tactical fundamentals of the baton in an operational setting and its proper use as an intermediate impact weapon One of the major dilemmas facing law enforcement today is the continually increasing number of assaults on police officers as they perform their duties How can the officer respond to this critical situation without resorting to deadly force Modern law enforcement tool has been developed to increase officers ability to protect themselves particularly in those cases not justifying the use of deadly force That tool is the baton The ability to use force lawfully against the public is the primary factor which distinguishes the police from the rest of society The police service is unique in society as they are the only civil organization that has been given the authority to use force As a result of this responsibility the use of force by the police comes under close scrutiny by both the public and the courts The baton can be utilized when empty hand techniques are not effective A trained officer who is proficient in the use of the baton is better able to protect himself and is less likely to resort to the use of his firearm The main purpose of the baton is to stun or temporarily disable rather than cause permanent injury The baton is not designed as a lethal weapon and is not an instrument of punishment It is to be used in a skillful manner to counter or stop an aggressive subject The techniques shown in this booklet has been universally

accepted and are defensible in court They are designed to work efficiently for all officers male female small large fit and the less fit Topics and techniques presented in this book will be of both great interest and great value to trainers and students of law enforcement The Manual of Statistics Charles M.
