Asset Assessments And Community Social Work Practice:

Asset Assessments and Community Social Work Practice Melvin Delgado, Denise Humm-Delgado, 2013-01-18 Needs assessments identify the needs for services answering questions about who needs these services and in what priority Asset assessments focuses on existing resources combining both needs and asset assessments helps find the gaps in these services and is useful to organizations and communities Assets assessments differ dramatically from their needs assessments counterparts along a variety of key dimensions Asset assessments generally attempt to 1 focus on capacities rather than problems needs 2 actively seek community participation and develop collaborative partnerships 3 seek to tap and enhance community competencies 4 seek to equalize power between residents and professionals 5 be proactive rather than reactive to problems and 6 stress community contributions and ownership of the process and are thus empowerment driven

Community Practice David A. Hardcastle, 2011-02-18 For almost two decades Community Practice has been a definitive text for social workers community practitioners and students eager to help individuals contribute to and use community resources or work to change oppressive community structures In this third edition a wealth of new charts and cases spotlight the linkages between theoretical orientations and practical skills with an enhanced emphasis on the inherently political nature of social work and community practice Boxes examples and exercises illustrate the range of skills and strategies available to savvy community practitioners in the 21st century including networking marketing and staging political advocacy and leveraging information and communication technologies Other features include New material on community practice ethics critical practice skills community assessment and assets inventory and mapping social problem analysis and applying community practice skills to casework practice Consideration of post 9 11 community challenges Discussion on the changing ethnic composition of America and what this means for practitioners An exploration of a vastly changed political landscape following the election of President Obama the Great Recession the rise of the Tea Party and the increasing political and corporate use of pseudo grassroots endeavors A completely revamped instructor's manual available online at www.oup.com/us/communitypractice This fully revised classic text provides a comprehensive and integrated overview of the community theory and skills fundamental to all areas of social work practice Broad in scope and intensive in analysis it is suitable for undergraduate as well as graduate study Community Practice offers students and practitioners the tools necessary to promote the welfare of individuals and communities by tapping into the ecological foundations of community and social work practice

Baby Boomers of Color Melvin Delgado, 2014-12-09 Because researchers often treat baby boomers of color as belonging to one group quality data on the individual status of specific racial populations is lacking leading to insufficiently designed programs policies and services The absence of data is a testament to the invisibility of baby boomers of color in society and deeply affects the practice of social work and other helping professions that require culturally sensitive approaches Melvin Delgado rectifies this injustice by providing a comprehensive portrait of the status and unique assets of

boomers of color Using specific data he grounds an understanding of boomers financial medical and emotional needs within a historical socioeconomic cultural and political context resulting in tailored recommendations for meeting the challenges of a growing population His research focuses on African American Hispanic Asian Pacific Islander and Native American older adults and addresses issues of financial security employment stability housing and health care which are often complicated by linguistic and cultural differences Rather than treat baby boomers of color as a financial burden on society and its resources Delgado recognizes their strengths and positive contributions to families and communities resulting in an affirming and empowering approach to service

An Empowering Approach to Managing Social Service Organizations Donna Hardina, Jane Middleton, Salvador Montana, Roger Simpson, 2006-08-30 Presenting an empowerment oriented management approach this ground breaking how to guide covers the most recent innovations and current theories you need to create a successful social service organization This all in one guide to service organization management best practices will help you gain the skills you need to effectively lead and empower your staff Expert authors provide a comprehensive approach and tackle every important issue related to this complex management field including Values and ethics Organizational structure Diverse clientele and access to services Barriers to service delivery Cultural competency Fight for social justice Financial resource management Evaluating program outcomes Control of the external environment A must have reference An Empowering Approach to Managing Social Service Organizations will help practicing professionals and students on the cusp of leadership improve service delivery to clients make improvements in workplace conditions acquire critical resources and retain the leadership power needed to survive in a turbulent social political and economic environment

The Routledge International Handbook of Social Work Teaching Jarosław Przeperski, Rajendra Baikady, 2024-04-09 This handbook is a comprehensive text on social work education based on the narratives of social work educators practitioners and researchers from Asia and the Pacific North and South America Australia and Oceania and Europe It discusses innovations challenges pedagogy and tested methods of social work teaching at various levels of educational programmes The volume Examines key concepts that underpin debates concerning social work teaching research and practice Brings out key concerns debates and narratives concerning various teaching learning and pedagogical methods from different countries Documents principal perspectives of different stakeholders involved in social work education from educators and practitioners to novice social workers The Routledge International Handbook of Social Work Teaching will be an effective instrument in informing policy decisions related to social work teaching and pedagogy at the global and local levels It will be essential for educators researchers and practitioners within social work institutions and for professional associations around the world

Community Health Workers in Action Melvin Delgado, 2020 Health is a universal topic although complex to understand because to adequately cover it requires the introduction of an historical context and socio cultural factors Health and health inequities touch the lives of millions of people of color across all regions and a desperate search for innovative

ways of reaching them in an affirming and cost effective manner This search translates into cultural and linguistic programs that empower and foster social change bringing immense rewards and challenges Community health workers offer tremendous promise in getting much needed health care to those in most need allowing for innovative practice in reaching those in greatest need Health care health workers urban communities Social Work with Latinos Melvin Delgado,2013-07-11 Beginning with a comprehensive definition and demographic map of Latinos Latino culture and a cultural asset paradigm this book identifies strategies for designing culturally relevant programs and services **Roots to Power** Lee Staples,2016-02-22 The third edition of the manual for community organizers tells readers how to most effectively implement community action for social change clearly laying out grassroots organizing principles methods and best practices Written for those who want to improve their own lives or the lives of others this thoroughly revised how to manual presents techniques groups can use to organize successfully in pursuit of their dreams The book combines time tested universal principles and methods with cutting edge material addressing new opportunities and challenges It covers basic concepts and best practices and offers step by step guidelines on things an organizer needs to know such as how to identify issues formulate strategies set goals recruit participants and much more The work focuses on six organizing arenas turf geography faith based issue identity shared experience and work related It offers new or expanded material addressing community development use of social media internal organizational dynamics electoral organizing evaluation assessment and prevention of burnout for key leaders There are also nuts and bolts articles by experts who address topics such as action research lobbying legal tactics and grassroots fundraising Numerous case examples charts worksheets and small group exercises enrich the discussion and bring the material to life Substance Abuse Prevention Kar Snehendu,2020-06-10 In thirteen chapters twenty four authors share their analyses concerns and conclusions in several domains including the meaning and dynamics of multiculturalism affecting prevention intervention relative risks and knowledge gaps across ethnic groups social trends affecting health risks and substance abuse lessons learned from substance abuse research and prevention role of the media promises and limits of the new public health paradigm for assessment policy development assurance of preventive services and social action and empowerment for prevention in partnership with the public Older Adult-Led Health Promotion in Urban Communities Melvin Delgado,2008-12-16 The subject of how best to address the current and future health needs of older adult residents in this country s urban marginalized communities is one that has also received considerable attention in academic policy and practice arenas in the past decade A variety of models have been put forth to achieve the goal of health in these communities but one of the most promising recommendations has been the use of health promotion as a vehicle for reaching and empowering communities of color in both rural and urban America Older adult led interventions as addressed in various sections of this book is one of the latest and most promising approaches towards health promotion that is grass roots and community participatory based Older adult led health promotion represents an emerging

field with tremendous implications for addressing the health needs of marginalized urban older adults in the United States and international
