administration From the Foreword by Robert Newcomer PhD Department of Social and Behavioral Sciences University of California San Francisco Assisted Living Administration and Management contains all the essentials for students new to the field as well as nuanced information for professionals looking to fine tune their skills This comprehensive resource provides deeper insights to address the ever changing world of the assisted living community containing effective best practices and model programs in elder care The authors provide the necessary tools and tips to maximize the overall health safety and comfort of residents This landmark reference for assisted living and senior housing administrators as well as graduate students contains the most practical guidelines for operating assisted living facilities It offers advice on hiring and training staff architecture and space management and more This multidisciplinary book is conveniently organized to cover the most crucial aspects of management including organization human resources business and finance environment and resident care Key Features Highlights the most effective practices and model programs in elder care that are currently used by facilities throughout the United States Contains useful details on business and financial management including guidelines for marketing legal issues and terms and public policy issues Includes chapters on environmental management with information on accessibility physical plant maintenance and disaster preparedness Emphasizes the importance of holistic resident care management by examining the biological psychological and social aspects of aging Enables students to evaluate analyze and synthesize information on how to operate assisted living facilities

Nursing Home Administration James Elmore Allen, 2007 Contains the knowledge essential to prepare for licensure and employment as a nursing home administrator Using as its basis the guidelines of the National Association of Boards of Examiners of Nursing Home Administrators this work includes sections on Distinguishing delirium from dementia Psychosis from agitation GERD and Glycemic control

Administrators in Assisted Living Ailie M. Glover, 2009 The assisted living industry is predicted to experience considerable growth due to the simultaneous aging of the baby boom generation and their subsequent need for long term care This study investigates individuals pathways to administration in assisted living and the ways in which assisted living administrators define and carry out their roles The study contributes to the understanding of the knowledge skills and personal traits needed by those who assume these vital leadership roles in an industry poised to care for the burgeoning population of older adults The sample for this study is 44 administrators who work in a random sample of 45 assisted living facilities in Georgia Qualitative methods were used to analyze the data The data revealed that multiple multi level factors not only facilitate an administrator s pathway to AL administration but these factors also help to shape how an administrator experiences his or her role within an ALF

Nursing Home Administration, Sixth Edition James E. Allen, 2011-02-25 Named a 2013 Doody s Essential Purchase The sixth edition of Nursing Home Administration contains essential information to prepare an individual for licensure and employment as a nursing home administrator This book addresses all regulatory pieces of information to provide readers with an overview of the entire process of managing a nursing facility This edition has
