The Macedonian Empire James R. Ashley, 2024-12-02 The Macedonian Empire lasted only 36 years beginning with Philip II's assumption of the throne in 359 B C and ending with the death of his son Alexander the Great in 323 B C In that span the two leaders changed the map in the known world Philip established new tactics that forever ended the highly stylized mode that had characterized Classic Greek warfare and Alexander's superb leadership made the army an unstoppable force This work first examines the 11 great armies and three great navies of the era along with their operations and logistics The primary focus is then on each campaign and significant battle fought by Philip or Alexander detailing how the battles were fought the tactics of the opposing armies and how the Macedonians were able to triumph

The End of Kings William R. Everdell, 2000-04-15 Written in clear lively prose The End of Kings traces the history of republican governments and the key figures that are united by the simple republican maxim No man shall rule alone Breathtaking in its scope Everdell's book moves from the Hebrew Bible Solon's Athens and Brutus's Rome to the impeachment trial of Andrew Johnson and the Watergate proceedings during which Nixon resigned Along the way he carefully builds a definition of republic which distinguishes democratic republics from aristocratic ones for both history and political science In a new foreword Everdell addresses the impeachment trial of President Clinton and argues that impeachment was never meant to punish private crimes Ultimately Everdell's brilliant analysis helps us understand how examining the past can shed light on the present An energetic aphoristic wide ranging book Marcus Cunliffe Washington Post Book World Ambitious in conception and presented in a clear and sprightly prose This excellent study is the best statement of the republican faith since Alphonse Aulard's essays almost a century ago Choice A book which ought to be in the hand of every American who agrees with Benjamin Franklin that the Founding Fathers gave us a Republic and hoped that we would be able to keep it Sam J Ervin Jr
