Nicolay, 2017-09-17

Excerpt from Abraham Lincoln Vol 10 A History Eager as Sherman was to march southward as little as he cared for what damage Hood might in the rear he was for a long time uncertain what Course he should pursue in reference to him On the 17th of October he had said to Thomas that Hood would not dare to go into Tennessee If I want to let him go and then we can all turn him and he cannot escape and on the 26th after His reconnaissance to Gadsden had revealed the fact that the rebel army had gone he again said to Thomas If it turns up at Guntersville I will after it but if it goes as I believe to Decatur or beyond I must leave it to you at present and push for the heart of Georgia Even after he was satisfied that Hood had gone towards Decatur he told Halleck that he would wait a few days to see what headway Hood was making and that he might yet turn to Tennessee though it would be a great pity to take a step backward I think he added with his humorous coolness it would be better even to let him ravage the State of Tennessee provided he does not gobble up too many of our troops About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Abraham Lincoln, Vol. 1 John G. Nicolay, 2017-10-29 Excerpt from Abraham Lincoln Vol 1 A History It is not therefore with any thought of adding materially to his already accomplished renown that we have written the work which we now offer to our fellow citizens But each age owes to its successors the truth in regard to its own annals The young men who have been born since Sumter was fired on have a right to all their elders know of the important events they came too late to share in The life and fame of Lincoln will not have their legitimate effect of instruction and example unless the circumstances among which he lived and found his Opportunities are placed in their true light before the men who never saw him About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com

Complete Works of Abraham Lincoln, Vol. 1 (Classic Reprint) Abraham Lincoln, 2018-01-17

Excerpt from Complete Works of Abraham Lincoln Vol 1: Something more than a decade has elapsed since the preceding words were written and during that period the assiduity of a multitude of Lincoln collectors has brought to light a large amount of manuscript material which inevitably escaped even such conscientious workers as Nicolay and Hay. The collectors have been so diligent during this period it is hardly probable that any of Lincoln's writings of importance can be any longer undiscovered. The aim has been to collect this material, add it to the work of the two great biographers, and so make a complete and definitive edition.

Lincoln,2015-07-10 Excerpt from Complete Works of Abraham Lincoln Vol 5 It requires the most gracious pages in the world's history to record what one American achieved The story of this simple life is the story of a plain honest manly citizen true patriot and profound statesman who believing with all the strength of his mighty soul in the institutions of his country won because of them the highest place in its government then fell a precious sacrifice to the Union he held so dear which Providence had spared his life long enough to save What were the traits of character which made Abraham Lincoln prophet and master without a rival in the greatest crisis in our history What gave him such mighty power To me the answer is simple Lincoln had sublime faith in the people He walked with and among them He recognized the importance and power of an enlightened public sentiment and was guided by it Even amid the vicissitudes of war he concealed little from public review and inspection About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Complete Works of Abraham Lincoln, Vol. 10 (Classic Reprint)** John G.
