Provocateur Anthony J. Cortese, 2015-10-01 In the fourth edition of Provocateur sociologist Anthony J Cortese offers an up to date critical analysis of modern advertising Though we often hear that we live in a period of unprecedented gender and racial equality both racism and sexism persist in a most telling area the ads with which we are inundated every day in newspapers and magazines and online Cortese examines the ideologies surrounding gender and race by delving into the presentation of women ethnic minorities children and anyone who is qualified as other in society Featuring a fresh selection of nearly 400 advertisements this edition includes new scholarship from gender racial and cultural studies new chapters on gay and lesbian marketing and aggression and violence in the media an expanded chapter on race in advertising and more This edition is ideal for sociology communication and gender and ethnic studies courses as well as for use as go to reference

The Cost of Winning Gerald S. Gurney, 2025-04-01 An unapologetic insider's account of the corruption and greed within college athletics College sports may have begun as a benign attraction but it has since morphed into quasi professional athletic leagues that exploit higher education taxpayers and students A foremost expert in ethics in

intercollegiate athletics Dr Gerald Gurney spent his career fighting the greed collusion and corruption among college presidents athletic directors and coaches playing a pivotal role in the movement for athlete well being and academic integrity *The Cost of Winning An Insider's Perspective on Exploitation and Greed in College Sports* is Dr Gurney's candid memoir covering his 40 plus years working directly with athletes as they struggled to achieve the dream of a meaningful college degree and a chance at a professional athletic career He saw firsthand the exploitation of these athletes and the blatant disregard for their education even as universities touted the educational and character building values of intercollegiate athletics Dr Gurney reveals how academic fraud works at too many NCAA Division I institutions the lengths individuals and entire programs will go to in order to win and the unsustainable path in athletic spending More than a memoir *The Cost of Winning* is an honest brave and fascinating account of some of the most remarkable triumphs and disasters in college sports history an unapologetic depiction of the well sheltered inner workings of major college athletic programs and prospects for change
