McCurdy, 1963 **Custer** Jay Monaghan, 1971-01-01 The Custer literature is voluminous and most of it is highly controversial Through the tangle of charges and countercharges Jay Monaghan cuts a clear path in his fresh account of Custer's whole career Where possible Monaghan relies on original sources and he appraises them with the sound judgment of the practiced historian he is He is sympathetic with Custer but does not hesitate to show the man's foibles and failures He presents no attorney's brief and yet he disproves a number of ill-founded accusations **The Path I Walked** Richard Cacace, 2021-05-12 Richard Cacace wanted to leave a chronicle of his life to his sons and spoke to them about the idea They told him to do it on two conditions first tell the truth and second tell it all the good and the bad This book was written as a record of the memorable moments of his first twenty-five years During that period his life seemed to be a great roller coaster ride His life until he was twenty years old seemed like the long upward climb toward the highest point in the ride Suddenly he came crashing down to the lowest point in his life It took almost four years to achieve another high point again Pride in his achievements made the writing go quickly When he came to the skeletons in his closet he had to force himself to open the door and let them out He wrote things about himself that no one knew As a result he felt a sense of relief for having done so He tells about his time in the US Marine Corps where he was filled with a renewed sense of pride that helped him climb out of the abyss into which he had fallen It taught him to value people not by their color or nationality but by their effort and desire Vietnam gave him the desire to live again There were incidents where he should have been killed but walked away without a scratch There were incidents where he was at the edge of his sanity and someone stepped in to keep him from doing something that would have destroyed his life Vietnam helped simplify the equation of the relationship of people to people in his eyes They needed one another at a crucial time and didn't care whether they were White Black Hispanic or Asian It also taught him that in each of us there is a battle raging between good and evil and if we are not careful the evil can win Go back with him to the early 1950s and walk the path he walked Reading for Survival Elsa Woods, 1994 Main topics concern following directions finding your way around making wise purchases managing money and finding landing and keeping a job so the book is stuffed with things like directions for product assembly and operation maps advertisements checkbook registers and job applications Students learn to decipher the wide variety of written materials we all encounter in daily life with 60 ready to reproduce documents accompanied by reproducible activity sheets Well suited for ESL ELL and adult education Answer keys Illustrated Grades 6-9 248 pages **Military Academy Appropriation Bill, Fiscal Year 1919-20** United States.
