Notes: Please "copy" the title of a book/an article/whatever (as far as the spelling of words such as "behavior"/"behavioral" are concerned (and this also goes for direct quotations) exactly as in the original.

- When referring to any work that is NOT a journal, such as a book, article, or Web page, capitalize only the first letter of the first word of a title and subtitle, the first word after a colon or a dash in the title, and proper nouns. Do not capitalize the first letter of the second word in a hyphenated compound word.
- Capitalize all major words in journal titles.
- If within the same paragraph, reference is made to the same author(s) for a second and further time(s), the year of publication is omitted in the second and further references - as long as it does not lead to confusion.
