Use the graph input tool to evaluate these three proposals. Entering a number into the Tax Paid by Employers field (initially set at zero dollars per hour) shifts the demand curve down by the amount you enter, and entering a number into the Tax Paid by Workers field (initially set at zero dollars per hour) shifts the supply curve up by the amount you enter. You will not be graded on any changes you make to the graph.

Note: Once you enter a value in a white field, the graph and any corresponding amounts in each grey field will change accordingly.
