Jeffrey, 2012-10-09 Prepare Now for America s Fall The enemies of free market capitalism have launched their final attack History s most powerful nation soon will be reduced to an isolated impoverished country with no influence over international affairs A close reading of prophecy reveals no mention of the United States The wealthiest and most powerful nation in history will play no visible role in the culminating events of this age Prophecy expert Grant R Jeffrey has exposed the hidden causes behind the rapid disappearance of America as we know it No longer will other nations count on America to come to their aid Aggressor nations will not have to fear the possibility of U S retaliation because very soon America will be too weak to take action And just at the time when the United States is weakened nearly beyond recognition the Antichrist will unleash his evil rule over the world When America falls the collapse will come rapidly It is to your advantage to know in advance what to look for In *One Nation Under Attack* you will find a workable plan to help you protect your family and your future from the far reaching economic devastation to come Apocalypse Grant R. Jeffrey, 1994 **Existential Threats** Lisa Vox, 2017-07-03 In *Existential Threats* Lisa Vox explores the growth of dispensationalist premillennialism alongside scientific understandings of the end of the world and contends that these two allegedly competing visions have converged to create an American apocalyptic imagination *A Study Guide for the Revelation of Jesus Christ* James H.
