Are There Yet Dallas Activities:

Deadly Games Karen Rock, 2018-07-17 ONE NIGHT ONLY Special Agent Katherine Bowden doesn't do girls nights out. She doesn't do blazing hot dances with male strippers or unbelievable uninhibited one night stands. If you ask her exactly all she does is work study evidence, profile criminals, track them down. And now Katherine's back home in Dallas with a new set of all male colleagues second-guessing her every move and a possible serial killer hunting women just like her. But just this once Katherine is going to try all those things she doesn't do. Growing up on the Reservation led Nash Hawkins down paths he'd rather forget. When his dream of joining the police force was crushed, he turned his hard body and wicked imagination into a meal ticket. His chemistry with Katherine is like nothing he's ever felt. And though he's sure a woman like her won't want to get seriously involved with him, Nash knows things, things that might help catch a killer. Nash and Katherine can save lives if they put aside the desire that torments them both. But the closer they get, the more they have to lose. A highly entertaining and cohesive suspense novel with an emotionally satisfying romance that will keep readers glued to the page. RT Book Reviews 4 Stars on *Dangerous Moves*. We are a list-obsessed people and sports-obsessed to boot, so this is a book that quenches our insatiable appetites for both. From the obvious to the obscure, Tuchman's list of must-see events is as thorough as it is controversial. What events made the top 100 and where did they rank? The book is sure to fire up sports fans everywhere. But more than a mere list, for each event the reader learns a detailed history of their favorite contests and all the background information to make a successful pilgrimage. Featuring also a list of honorable mentions that just missed the cut and a list of the top sports cities with arguments for what makes each city the perfect sports mecca, *The 100 Sporting Events You Must See Live* is a must for every sports fan's library. *Texas Blues* Alan B. Govenar, 2008-10-09 *Texas Blues* allows artists to speak in their own words, revealing the dynamics of blues from its beginnings in cotton fields and shotgun shacks to its migration across boundaries of age and race to seize the musical imagination of the entire world. Fully illustrated with 495 dramatic high-quality color and black and white photographs, many never before published, *Texas Blues* provides comprehensive and authoritative documentation of a musical tradition that has changed contemporary music. Award-winning documentary filmmaker and author Alan Govenar here builds on his previous groundbreaking work documenting these musicians and their style with the stories of 110 of the most influential artists and their times.
