chapter 1 the solid state talks about two main categories of solids which are crystalline solids and amorphous solids before understanding the differences between these solids let us learn their characteristic properties they have a definite shape volume and mass

ncert solutions for class 12 chemistry chapter 1 the solid state - Jul 08 2022

there are three states of matter solid liquid and gas in chapter 1 of ncert solutions for class 12 chemistry solid characteristics are studied solids are defined by their mass shape and volume intermolecular distance and force are both short yet intermolecular force is strong
