Buddhism and Whiteness

Emily McRae, George Yancy, 2019-05-13 The motivation behind this important volume is to weave together two distinct but we think complementary traditions the philosophical engagement with race whiteness and Buddhist philosophy in order to explore the ways in which these traditions can inform correct and improve each other This exciting and critically informed volume will be the first of its kind to bring together essays that explicitly connect these two traditions and will mark a major step both in understanding race and whiteness with the help of Buddhist philosophy and in understanding Buddhist philosophy with the help of philosophy of race and theorizations of whiteness We expand upon a small but growing body of work that applies Buddhist philosophical analyses to whiteness and racial injustice in contemporary U S culture Buddhist philosophy has much to contribute to furthering our understanding of whiteness and racial identity the mechanisms that create and maintain white supremacy and the possibility of dismantling white supremacy We are interested both in the

possible insights that Buddhist metaphysical epistemological and ethical analyses can bring to understanding race and whiteness as well as the potential limitations of such Buddhist inspired approaches In their chapters contributors draw on Buddhist philosophical and contemplative traditions to offer fresh insightful and powerful perspectives on issues regarding racial identity and whiteness including such themes as cultural appropriation mechanisms of racial injustice and racial justice phenomenology of racial oppression epistemologies of racial ignorance liberatory practices with regard to racism Womanism and the intersections of gender based raced based and sexuality based oppressions Authors make use of both contemporary and ancient Buddhist philosophical and contemplative traditions These include various Asian traditions including Theravada Mahayana Tantra and Zen as well as comparatively new American Buddhist traditions *Selected Amazon Reviews* Kevin Killian, 2024-11-26 A book length selection from Kevin Killian s legendary corpus of more than two thousand product reviews posted on Amazon com An enchanting roll of duct tape Love Actually on Blu ray Disc The Toaster Oven Cookbook The Biography of Stevie Nicks and an anthology of poets who died of AIDS In this only book length selection from his legendary corpus of more than two thousand product reviews posted on Amazon com sagacious shopper Kevin Killian holds forth on these household essentials and many many many others The beloved author of more than a dozen volumes of innovative poetry fiction drama and scholarship Killian was for decades a charismatic participant in San Francisco s New Narrative writing circle From 2003 2019 he was also one of Amazon s most prolific reviewers rising to rarefied Top 100 and Hall of Fame status on the site Alternately hilarious and heartfelt Killian s commentaries consider an incredible variety of items each review a literary escapade hidden in plain sight amongst the retailer s endless pages of user generated content *Selected Amazon Reviews* at last gathers an appropriately wide swath of this material between two covers revealing the project to be a unified whole and always more than a lark Some for verified purchases others for products enjoyed in theory Killian s reviews draw on the influential strategies of New Narrative his unrivaled fandom for both elevated and popular culture and the fine art of fabulation Many of them are ingeniously funny flash fictional riffs on the commodity as talismanic object written by a cast of personas worthy of Pessoa And many others are serious even scholarly earnest tributes to contemporaries and to small press books that may not have received attention elsewhere offered with exemplary attention All of Killian s reviews subvert the Amazon platform queering it to his own play with language identity genre critique Killian s prose is a consistent pleasure throughout *Selected Amazon Reviews* brimming with wit lyricism and true affection As the Hall of Famer himself reflected on this form of his own invention shortly before his untimely passing in 2019 They re reviews of a sort but they also seem like novels They re poems They re essays about life I get a lot of my kinks out there on Amazon
