Miller, Cornel Onyango Nyaywera, 2019-10-22 The true life story of how three men helped save the lives and families of thousands living with HIV AIDS in East Africa Written by three co founders of CARE for AIDS a nonprofit providing support for men and women living with HIV AIDS in East Africa Beyond Blood is the true life account of how three men from drastically different backgrounds came together to form a grassroots nonprofit that has empowered thousands of HIV positive people in East Africa to live lives beyond AIDS This is the story of how Justin T Miller an American Vanderbilt undergraduate student met Duncan Kimani Kamau and Cornel Onyango Nyaywera two men who had grown up witnessing firsthand the devastating effects of HIV AIDS

in their own communities in Kenya Though Kamau and Nyaywera grew up in opposite ends of the country and came from opposing tribes they overcame prejudice and cultural expectations to bring healing to their communities With Miller s help their dream of empowering people to live a life beyond AIDS became a reality Once Kamau Miller and Nyaywera realized their common purpose CARE for AIDS was born But it was only the beginning of their fight against AIDS as they quickly discovered the fear and stigma that blanketed the disease If their fledgling nonprofit was going to empower anyone they would need help and they found it one local church at a time As they slowly but steadily grew their network of friends and allies Kamau Miller and Nyaywera discovered that the most complex problems can be solved through intentional redemptive relationships
