Using the real birthday of Jesus kinda plus fractals and other patterns found in nature I have created several new zodiac charts to help locate and describe the evil ones among us I gave these charts such names as Heaven to Hell Child Teen Adult Leaping Lizards and my favorite The Wheel of Good Evil With certain specific patterns I was able to locate such horrible people as The Professional Victims People of Rage and The Laughing Idiots A Health Chart is included that might help you feel better and look younger for years longer It uses the separation of white light through a prism or the power of 3 to let you know who on the zodiac wheel might help in restoring you back to life If hell is other people then heaven can be other people too Names were giving to all 12 zodiac zones on the wheel and most of the evil subzones too These names describe the basic essence of those individuals who were born inside those zones Some of the names giving include **Dirty Sexy Money** Cathy Griffin, Dylan Howard, 2021-01-05 A True Story of Ambition Wealth Betrayal and how a Ruthless Beverly Hills Socialite Became the Ultimate Momager and Raked In Billions Dirty Sexy Money The Unauthorized Biography of Kris Jenner is the definitive account of how a Beverly Hills socialite with little formal education built herself a global empire This tell all tome unravels the family's meteoric rise to fame and the dark secrets they've struggled to hide until now Together Howard and Griffin delve behind the headlines and social media hype to tell the true story of Kris's life rather than the rosy picture she likes to paint Dirty Sexy Money is an unflinching look at Kris's triumphs and losses her crises and celebrations her famous friendships and family conflicts It examines in unprecedented detail Kris's troubled two decades with Bruce Jenner and the end of their marriage as Bruce transitioned to Caitlyn it exposes the truth about her current affair with a much younger man and it reveals what she really thinks of her daughter's very public marriage to Kanye West Inside are a wealth of previously untold stories including intimate details of how Kim's sex tape jump started her career of the real reasons Kris sold her long running television reality series as well as shocking never before heard revelations about her friendships with O J Simpson and murdered wife Nicole The result is a dramatic narrative account of Kris's real story as you've never heard it before in all its dirty sexy glory [Headlights on the Prairie](#) Robert Rebein, 2017-07-15 At the long term care facility where Robert Rebein's father lands after a horrific car crash a shadow box hangs next to each room its contents suggesting something of the occupant's life In Headlights on the Prairie Rebein has created a literary shadow box of sorts a book in which moments of singular grace and grit encapsulate a life and a world In the tradition of memoirs such as Tobias Wolff's This Boy's Life and Ivan Doig's This House of Sky these essays bring a storyteller's gifts to life's dramas large and small Following his award winning turn on his hometown of Dodge City Rebein takes us back to the high plains world where his family has farmed and ranched since the 1920s It is a world populated by feedlot cowboys stock car drivers and farm kids dreaming of basketball glory Here too we find the darker tales of damaged young men returning from war long haul truckers addicted to crystal meth and the sadly heroic residents of a small town nursing home grandiloquently named Manor of the Plains Whether contemplating a fiery crash at a race track coming to terms with an aging parent or navigating the last days

of a beloved family dog Rebein offers a subtle unsparing often moving look at the moments that go into making a writer and a man Seen in sharp detail and recalled from a distance his is a story of how a man can leave his home on the prairie and yet never really get out of Dodge
