the look of the magazine as would the New Establishment and annual Hollywood issues Carter further planted a flag in Los Angeles with the legendary Vanity Fair Oscar party With his inimitable voice and signature quip he brings readers to lunches and dinners with the great and good of America Britain and Europe He assembled one of the most formidable stables of writers and photographers under one roof and here he re creates in real time the steps he took to ensure Vanity Fair cemented its place as the epicenter of art culture business and politics even as digital media took hold Charming candid and brimming with stories When the Going Was Good perfectly captures the last golden age of print magazines from the inside out
