Hopkins,2015-07-12 Excerpt from From Bull Run to Appomattox A Boy s View Life is the mirror of the king and slave Tis just what you are and do Then give to the world the best you have And the best will come back to you I never thought that I should be guilty of writing a book I did not however do this with malice aforethought My son is responsible for whatever sin I may have committed in presenting this to the public He and I have been good friends ever since we became acquainted and he has always insisted upon my telling him all that I know When he was about three years old he discovered that I had been a soldier in Lee s army from 1861 to 1865 and although he is of Quaker descent and a loyal member of the Society of Friends and I am half Quaker yet he loved war stories and I loved to tell them This accounts for the production of the book After I had told him these stories over and over again and again when he was grown he insisted upon my starting at the beginning and giving him the whole of my experience in the Confederate army Then he wanted it published I yielded to his request and here is the book This is not however an exact copy of the typewritten manuscript which he has The original manuscript is more personal I thought the change would make it more acceptable to the general reader About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Four Brothers in Blue** Robert Goldthwaite Carter,2016-09-04 Excerpt from

Bull Run Robert Matteson Johnston, 1913 [Appomattox](#) Michael E. Haskew, 2015-03 They endured hardship and deprivation as they fought for their home and ideals relive the final days of the Army of Northern Virginia Appomattox The Last Days of Robert E Lee's Army of Northern Virginia encompasses the defense and evacuation of the Confederate capital of Richmond the horrific combat in the trenches of Petersburg General Robert E Lee's withdrawal toward the Carolinas in his forlorn hope of a rendezvous with General Joseph E Johnston's Army of Tennessee to carry on the fight the relentless pursuit of Union forces and the ultimate realization that further resistance against overwhelming odds was futile The Army of Northern Virginia was the fighting soul of the Confederacy in the Eastern Theater of the Civil War From its inception it fought against

overwhelming odds Union forces might have occupied territory but as long as the Confederate army was active in the field the rebellion was alive Through four years of bitter conflict the Army of Northern Virginia and its longtime commander General Robert E Lee became the stuff of legend By April 1865 its days were numbered There are many stories of heroism and sacrifice both Union and Confederate during the Civil War and Robert E Lee and the Army of Northern Virginia wrote their own epic chapter Author Michael E Haskew a researcher writer and editor of many military history subjects for over twenty years puts the hardship and deprivation suffered by this Army's soldiers while defending their home and ideals into proper perspective

The Richmond Campaign of 1862 Gary W. Gallagher, 2000-09-18 The Richmond campaign of April July 1862 ranks as one of the most important military operations of the first years of the American Civil War Key political diplomatic social and military issues were at stake as Robert E Lee and George B McClellan faced off on the peninsula between the York and James Rivers The climactic clash came on June 26 July 1 in what became known as the Seven Days battles when Lee newly appointed as commander of the Confederate forces aggressively attacked the Union army Casualties for the entire campaign exceeded 50 000 more than 35 000 of whom fell during the Seven Days This book offers nine essays in which well known Civil War historians explore questions regarding high command strategy and tactics the effects of the fighting upon politics and society both North and South and the ways in which emancipation figured in the campaign The authors have consulted previously untapped manuscript sources and reinterpreted more familiar evidence sometimes focusing closely on the fighting around Richmond and sometimes looking more broadly at the background and consequences of the campaign Contributors William A Blair Keith S Bohannon Peter S Carmichael Gary W Gallagher John T Hubbell R E L Krick Robert K Krick James Marten William J Miller
