It outlines the nature of these social institutions: marriage, temporary marriage, debt, bondage, and slavery, which were recognized in local law, carried no stigma, and endured for long periods. It discusses how labour pledged in return for a loan of cash or as a result of a punishment dictated by the state often included sexual labour and how this could take the form of servicing the master of the house, his guests, or foreign travellers who paid the debt holder for the privilege, and how even wives of different ranks, temporary or permanent, and children were pledged as sureties for loans. The book, which covers the modern states of Myanmar, Thailand, Laos, Cambodia, and Vietnam, argues that cultural norms are not static; that sexual contracts are more complicated than simply marriage or prostitution; and that as trafficking for sexual purposes increases, those engaging in humanitarian intervention should improve their knowledge of the historical underpinnings of cultural understandings of familial and contractual obligations. *A History of Christianity in Asia, Vol. II* Samuel Hugh Moffett, 2014-07-30 This second volume of Samuel Moffett's acclaimed *History of Christianity in Asia* illustrates the advance of the modern missionary movement in the continent of its birth. Like the first volume, it makes available immense research in a readable and engaging narrative. Moffett brings into dramatic relief events that illustrate both the broad patterns and the vital details of the spread of Christianity on a continent. British Colonial Policy in Burma Aparna Mukherjee, 1988 This book is a revealing study of British colonial policy in an important region of South East Asia, i.e. Burma. The period covered is 1840-1886. British territorial expansion and vigorous commercial thrust in Burma began with the two treaties concluded in 1826 at the end of the First Burmese War. As a result of commercial disputes and diplomatic wranglings, the British Residency in Burma was withdrawn.

in 1840 The story is taken up at this point and the political cum commercial ramifications of British policy are carefully analysed on the basis of unpublished primary sources The Second Burmese War the annexation of Pegu the Phayre Mission the re establishment of the residency the commercial treaties of 1862 and 1867 and the circumstances leading to the fall of Thibaw are studied in great detail Subjects such as British penetration into the Karen region and unsuccessful British attempts to open a trade route to the Chinese province of Yunnan through Upper Burma have been treated here for the first time The efforts of the Burmese Kings to open political and commercial relations with European Powers particularly France and her policy of extending her control from her base in Indo China provide an interesting glimpse into Franco British rivalry in South East Asia No previous historical work attached due importance to this aspect of British intrusion into Burma

Buddhist Backgrounds of the Burmese Revolution Manuel Sarkisyanz,2013-11-11 *The Butcher of Amritsar* Nigel Collett,2006-10-15 On 13 April 1919 General Reginald Dyer marched a squad of Indian soldiers into the Jallianwala Bagh in Amritsar and opened fire without warning on a crowd gathered to hear political speeches This is an account of the massacre set in the context of a biography of a man whose attitudes reflected many of the views common in the Raj *The Ocean of Story* Somadeva Bhaṭṭa,1928 *The Statesman's Year-book* Frederick Martin,Sir John Scott Keltie,Isaac Parker Anderson Renwick,Mortimer Epstein,Sigfrid Henry Steinberg,John Paxton,Brian Hunter (Librarian),Barry Turner,1921
