Burn Your Portfolio Chinese Edition:

Burning Desire M. L. Stark, 2020-02-14 Psychopathy is the only mental disorder where it is not the patient but the environment that suffers. Sanne Udsen, a psychopath in suits, Mary is an established woman. Her lifespan is a petrifying mess. This is about dating a truly creepy sociopath, one who swindled himself through life. A self-absorbed lying person using people. He presents himself with a public persona of normalcy. She could not see what lay behind the dark shade of Drake Lucifer Bates. He was inappropriately flirting with her; he was a doctor and she was his patient. During a treatment session, he goes too far. Does he get hard when he treats patients? It was too late for her to escape. Unintended, she becomes captured in his mean spider web. Drake won her compassion with his enormous intellect and glimmering charm. Something vastly magical happened around him. She begins a passionate love affair with him. Their life seemed blissful on the outside. Behind his malicious plan, it was chilling. Trusting him with her fragile life, she doesn't see he is like Dr. Jekyll and Mr. Hyde. Believing him was fatal. Swindling wealthy patients was his primary target. His manipulative behavior and scams end disastrously for Mary. She is a character in his horror movie. He sinks into his mania of deceives and lies. He is a predator. She doesn't know anything about psychopaths. How does she figure out what she can expect from such people? Her life was never the same, but she learned from his evilness. The story is fictional, but it contains ideas based on real events. This is a part one of the **Burning Desire** trilogy. It will obsess you.
