Business Ethics In Biblical Perspective A Comprehensive Introduction:

Business Ethics in Biblical Perspective Michael E. Cafferky, 2015-08-19 Michael Cafferky sets a new standard in the field of business ethics with this comprehensive textbook from a Christian perspective Using twelve biblical themes to evaluate contemporary ethical approaches and concerns he covers consumer behavior management accounting marketing corporate responsibility and more *Executive Ethics II* Ronald R. Sims, Scott A. Quatro, 2016-06-01 This 2nd edition of *Executive Ethics* provides a variety of contemporary and timely readings squarely focused on the ethical dilemmas and challenges faced by today's C suite executives In addition to identifying these dilemmas and challenges the contributors provide both knowledge and insight on how C suite executives can proactively address such ethics issues The contributors provide unique value propositions for the C suite regarding the most critical ethical issues facing organizations today while also highlighting useful information for senior executives interested in integrating ethics into the leadership and management practices of their organizations In the end the book empowers C suite executives to build a long term strategic and enterprise wide approach to ethics **Identity Excellence** Perry L. Glanzer, 2022-07-18 American higher education historically and inherently is a morally formative endeavor Yet in order to respond to America's moral pluralism higher education has increasingly taken a reductionistic approach to moral formation Consequently it abandoned the effort to supply students with moral expertise Current approaches help students learn how to be excellent professionals and citizens but they fail to provide the necessary tools for living the good life in college and beyond *Identity Excellence A Theory of Moral Expertise for Higher Education* addresses this problem by setting forth a multi disciplinary theory of moral expertise for fostering moral excellence in an array of important identities To this end it teases apart the essential elements of what it means to be excellent in an identity before discussing the philosophical sociological psychological and educational processes necessary for students to internalize traditions of identity excellence as part of their own moral identities Overall the emergent theory exposes the shortcomings in contemporary general education professional ethics and co curricular education Finally this book sets forth a bold but compelling vision for a more hopeful future for American higher education As outlined within such education involves teaching students excellence in the Great Identities as well as how to prioritize and integrate their pursuit of identity excellence *Loving Monday* John D. Beckett, 2009-08-20 Drawing on his own experiences of running a business managing employees and dealing with crisis John Beckett shows how your work can be filled with meaning and purpose Bringing together all of life work belief value character relationship truth worship and joy this is a book for everyone who wants to succeed in business without selling out **Encyclopedia of Business and Professional Ethics** Deborah C Poff, Alex C. Michalos, 2023-05-24 This encyclopedia edited by the past editors and founder of the *Journal of Business Ethics* is the only reference work dedicated entirely to business and professional ethics Containing over 2000 entries this multi volume major research reference work provides a broad based disciplinary and interdisciplinary approach to all of the key topics in

the field The encyclopedia draws on three interdisciplinary and overlapping fields business ethics professional ethics and applied ethics although the main focus is on business ethics The breadth of scope of this work draws upon the expertise of human and social scientists as well as that of professionals and scientists in varying fields This work has come to fruition by making use of the expert academic input from the extraordinarily rich population of current and past editorial board members and section editors of and contributors to the Journal of Business Ethics

Grace Leadership Russell L. Huizing, 2022-08-21 Drawing upon both Jewish and Christian scriptures this book lays a groundwork for understanding how grace is a critical element of leadership and followership studies This volume divided into three sections begins by defining the concept of grace leadership using biblical examples Part two discusses how grace leadership develops while the last part of the book offers contemporary examples of leaders displaying grace to their employees With cases from the military as well as organizational perspectives this edited collection adds a new wrinkle to the leadership literature and will appeal to scholars in HRM and organizational studies

Key Approaches to Biblical Ethics, 2021-01-25 The purpose of Key Approaches to Biblical Ethics is to address fundamental as well as practical questions of methodology in examining the ethical material of the Bible Sixteen scholars of international reputation most of them leaders in the field of biblical ethics discuss questions of biblical interpretation from the perspectives of the Hebrew Bible and New Testament ethics in close dialogue with one another In the present volume both established and new approaches to biblical ethics are presented and discussed The result is a volume of unprecedented scholarly interaction that provides key insights into issues of biblical ethics that play a significant role both for biblical interpretation as well as for methodological questions in Jewish and Christian ethics today

The Cambridge Companion to Christian Ethics Robin Gill, 2001 Provides a comprehensive introduction to Christian ethics which is both authoritative and up to date

Honorable in Business Annetta Gibson, Daniel Augsburger, 2019-01-14 How can one be a Christian in the world of business not just on the weekend How can one be honorable in business Through the integration of the Christian worldview and business ethics this book provides Christians with a mental framework with which to answer these important questions Beginning with Genesis as the foundation for the Christian's worldview and the Ten Commandments as the outline for the Christian's ethical obligations the authors develop principles upon which ethical choices can be made even when working in a primarily non-Christian oriented business environment The book is designed to be helpful both to those beginning their career in business and those already employed in business who struggle with how to engage in today's business environment while maintaining their commitment to God's vision for life to be both meaningful and honorable Topics of business ethics such as employee rights discrimination technology and privacy insider trading and accounting fraud and the special challenges of working internationally are covered The added value this book brings to these discussions lies in its serious consideration of the Christian worldview as foundational to ethical decision making in everyday areas of business

Judaism, Christianity, and Islam Amanullah De

Sondy, Michelle A. Gonzalez, William S. Green, 2020-10-15 Judaism Christianity and Islam An Introduction to Monotheism shows how a shared monotheistic legacy frames and helps explain the commonalities and disagreements among Judaism Christianity and Islam and their significant denominations in the world today Taking a thematic approach and covering both historical and contemporary dimensions the authors discuss how contemporary geographic and cultural contexts shape the expression of monotheism in the three religions It covers differences between religious expressions in Israeli Judaism Latin American Christianity and British Islam Topics discussed include scripture creation covenant and identity ritual ethics peoplehood and community redemption salvation life after death gender sexuality and marriage This introductory text which contains over 30 images a map a timeline chapter afterthoughts and critical questions is written by three authors with extensive teaching experience each a specialist in one of the three monotheistic traditions
