Above All Earthly Powers Christ In A Postmodern World:

Above All Earthly Powers David F. Wells, 2006-08 In this prophetic call to the evangelical church Wells stresses that Christians need to confess Christ as the center in a society lacking a center as the sovereign in a world seemingly ruled by chance and as the one who can give meaning in a nihilistic culture *A Heart for God's Glory* Lee Botzet, 2007 A Heart for God's Glory The Revival of a God centered Faith in a Self centered World is a personal journey and a biblical theological historical study regarding the urgent need to recover our divinely created purpose to glorify God by passionately loving Him and finding our greatest satisfaction in Him **The Theology of Dallas Willard** Gary Black Jr., 2013-08-06 Evangelical Christianity in the United States is currently in a dramatic state of change Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ Blending both a prophetic critique with pastoral encouragement Willard's unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith **The Cape Town**

Commitment: A Confession of Faith, A Call to Action Darrell L. Bock, 2013-06-14 The Cape Town Commitment which arose from The Third Lausanne Congress on World Evangelization Cape Town 2010 stands in the historic line of The Lausanne Covenant 1974 and The Manila Manifesto 1989 It has been translated into twenty five languages and has commanded wide acceptance around the world The Commitment is set in two parts Part 1 is a Confession of Faith crafted in the language of covenantal love Part 2 is a Call to Action The local church mission agencies special interest groups and Christians in the professions are all urged to find their place in its outworking This annotated bibliography of The Cape Town Commitment arranged by topic has been compiled by specialists in a range of fields As such it is the first bibliography of its kind Arranged in sections for graduate level teaching Equally useful for research students *Rebels with Insufficient Cause* J. M. Sparrow, 2018-09-19 Why are Americans of African descent as a group not flourishing like other racial groups in America Dr J M Sparrow in *Rebels with Insufficient Cause* proposes that value formation through the biblical model of the family is lacking The secular world is redefining and reinterpreting the social structures that God created in order for humans to enjoy maximum human flourishing Every person or social group that chooses to ignore God's designs for humanity will experience chaos but every person and social group that submits to God's designs for humanity will experience order Americans of African descent are experiencing that chaos in greater measure than any other racial group Since this book holds to a biblical worldview that teaches that all humans are created equal Americans of African descent are not inherently more debased than other races However since the out of wedlock birth rate is astronomically higher in black communities than in others they are experiencing a greater share of the chaos Yet all is not lost When Americans of African descent begin

to hold up the truths of the Bible as normative and encourage future generations to practice the same things will begin to turn around Americans of African descent must choose to reject the victim mentality see themselves as part of the larger American culture rather than as outsiders and inculcate biblical values on their children in the midst of loving supportive and God honoring family units

The Oxford Handbook of Evangelical Theology Gerald McDermott, 2010 Evangelical theology is a burgeoning field This volume surveys the state of the discipline on topics of greatest importance to evangelical theology Each chapter has been written by a theologian or scholar who is widely recognized for his or her published work and is considered a leading thinker on that topic

Jesus Made in America Stephen J. Nichols, 2010 Jesus is as American as baseball and apple pie But how this came to be is a complex story one that Stephen Nichols tells with care and ease Beginning with the Puritans he leads readers through the various cultural epochs of American history showing at each stage how American notions of Jesus were shaped by the cultural sensibilities of the

Renewing the Evangelical Mission Richard Lints, 2013-05-26 The culture story of evangelicalism during the second half of the twentieth century has been well told It is important now to think about the theological mission of the church in an ever increasing post Christian and post partisan context What is the theologian s calling at the beginning of the third millennium How do global realities impact the mission of evangelical theology What sense can be made of the unity of evangelical theology in light of its many diverse voices Contributors Os Guinness Michael S Horton Richard Lints Bruce McCormack Mark Noll J I Packer Gary Parrett Rodney Peterson Cornelius Plantinga Tite Tienou Kevin J Vanhoozer Adonis Vidu and Miroslav Volf

The Jesus Gospel Liam Goligher, 2006 Recently much has been written on Atonement theory that would suggest that the Christian message could be re interpreted for post modern times While the desire to communicate with the new generation is well intended we must not stray from the gospel writers The Jesus Gospel reminds its readers of the original intent of God s Word and directs our attention back to the original passages dealing with this important and timeless issue

The Surprising Work of God Garth M. Rosell, 2020-03-18 The Surprising Work of God tells the story of how America s mid twentieth century spiritual awakening became a worldwide Christian movement This seminal study brings a unique perspective to the history personalities and institutions of that period and offers an intimate look at evangelicalism through the window of the life ministry and writings of Harold John Ockenga and his long friendship with Billy Graham Ockenga was pastor of the historic Park Street Congregational Church in Boston and cofounder of Fuller Theological Seminary Gordon Conwell Theological Seminary the National Association of Evangelicals and Christianity Today As such he was a central figure in the birth and development of American neo evangelicalism This lively engaging story will be of value to anyone with an interest in the American church of the last century

As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
