twenty first century Dr Sunday Bobai Agang suggests that his homeland is experiencing just such a crisis one rooted not in religion economics or politics but rather an eroding moral foundation For a nation to thrive he argues its people must possess a moral and ethical vision characterized by sincerity and truth love and unity Far from representing impractical ideals these are the virtues upon which a nation s security and stability depend Endangered Moral Values offers both a powerful warning of the dangers inherent in ignoring a society s ethical and moral decay and a passionate invitation for citizens to work together towards a transformed future
