Akropong Akuapem College Of Education:

Daily Graphic Ransford Tetteh, 2014-03-13 *Leadership and Management: Case Studies in Training in Higher Education in Africa* Mouton, Johann, Wildschut, Lauren, 2015-08-06 There has been a resurgence of interest in training programmes for higher education leaders and management HELM at African universities in recent times Although there have been a few cases of evaluation studies of such programmes in Africa a more systematic review of the lessons learnt through these programmes has not been done This book aims to document and reflect on the learnings from intervention programmes at three African higher education councils It is clear that university leaders face many leadership and management challenges This is the starting point of the book **A Handbook for African Mother-Tongue Bible Translators** Isaac

Boaheng, 2022-03-22 A Handbook for African Mother Tongue Bible Translators examines key theoretical and practical issues to equip readers with the basic skills required to translate the Bible naturally accurately faithfully and clearly into their mother tongues Since accurate translation enhances the interpretation and application of Scripture the book will also improve the hermeneutical ability of the reader The book is divided into two parts the first part deals with theoretical issues related to Bible translation in general with the African context in focus and the second focuses on the key practical matters in translation This text will appeal to undergraduate and graduate seminary students and students of translation studies at private and public universities in Africa and beyond Bible translators and consultants will also find the text useful

Advancing Civil Justice Reform and Conflict Resolution in Africa and Asia: Comparative Analyses and Case Studies Yin, Elijah Tukwariba, Kofie, Nelson F., 2021-06-18 The civil justice system is characterized by a distinct dispute resolution and law enforcement functions although these functions are not always explicit and their relationship can be vague People normally turn to this legal system to address an unjust situation they encounter This makes civil justice both socially and economically important as it may be driven by efficiency or access to justice concerns The literature suggests that law reform has an uninspiring record in this field This is because it has largely not been considered with a detailed empirically informed evaluation of proposed solutions This legal system is complex and research in this field is correspondingly challenging interesting and important Advancing Civil Justice Reform and Conflict Resolution in Africa and Asia Comparative Analyses and Case Studies provides significant empirical research findings as well as theoretical reviews and frameworks on a wide array of issues within civil justice and the legal system This includes topic areas such as access to justice and legal representation the challenges to developing civil justice courts and procedures and civil justice reform This book is valuable for lawyers human rights lawyers court officials psychologists social workers sociologists consultants professionals academicians students and researchers working in the field of law socio legal studies sociology anthropology political science social work social policy economics and criminal justice along with anyone seeking updated information on the current reforms and challenges within the civil justice and legal systems **Technological Advancements in Library Service**

Innovation Lamba, Manika, 2022-02-04 Innovations in library services are rapidly developing within numerous areas including building design program and event planning patron experience and engagement literacy program development and administration and management To ensure these changes are implemented and considered successfully a closer look at the challenges trends and practices of these innovations is crucial Technological Advancements in Library Service Innovation examines the recent activities of successful and groundbreaking research and practices around the world surrounding library service innovation and presents various forward thinking initiatives It also provides an overview of libraries successful experiences identifies emerging global themes and trends and offers guidance to library practitioners on how to pursue the recent trends in their own library environment Covering topics such as technology adoption and organizational structures this book is ideal for library professionals researchers academicians instructors and students

Teacher Education in the Global Era Karanam Pushpanadham, 2020-06-30 This book discusses the perspectives and practices of teacher education programs in order to shed new light on the national priorities policies curriculum inputs delivery mechanisms challenges and future trends in 20 selected countries It examines and compares the complexity of teacher education in international contexts providing insights into educational change and reform in emerging democracies Further it includes cases from various countries that reflect how the profession is moving forward In order to deepen readers understanding of teacher training and the challenges posed by globalization the book concludes with a discussion of theoretical perspectives applied to teacher education and with recommendations for new directions Given its scope the book is an essential read for teacher educators students and researchers working in the field of education

Africa Bible Commentary Zondervan, 2010-08-03 The Africa Bible Commentary is a unique publishing event the first one volume Bible commentary produced in Africa by African theologians to meet the needs of African pastors students and lay leaders Interpreting and applying the Bible in the light of African culture and realities it furnishes powerful and relevant insights into the biblical text that transcend Africa in their significance The Africa Bible Commentary gives a section by section interpretation that provides a contextual readable affordable and immensely useful guide to the entire Bible Readers around the world will benefit from and appreciate the commentary's fresh insights and direct style that engage both heart and mind Key features Produced by African biblical scholars in Africa for Africa and for the world Section by section interpretive commentary and application More than 70 special articles dealing with topics of key importance in to ministry in Africa today but that have global implications 70 African contributors from both English and French speaking countries Transcends the African context with insights into the biblical text and the Christian faith for readers worldwide
