Albee in an Hour E. Teresa Choate, 2010 After twenty one year old Edward Albee flunked out of college he came home drunk and packed his bags intending to leave home forever He never spoke to his father again and he would be estranged from his mother for seventeen years He headed for New York City s Greenwich Village where he began to synthesize the experiences of his childhood and more into drafts of plays that would become *The American Dream* *Who s Afraid of Virginia Woolf* *A Delicate Balance* *Three Tall Women* and others Setting the playwright in context to his personal life social historical and political events other writers of influence and more you will quickly gain a deep understanding of Edward Albee and the plays he wrote Read *Albee in an Hour* and experience his plays like never before Know the playwright love the play The book features *Albee in an Hour* the primary essay in the book *Albee in a Minute* a snapshot chronology A complete listing of Albee s work A list of Albee s contemporaries in all fields Excerpt suggestions from Albee s significant works An extensive bibliography grouped according to type of reader An index of the main essay *Playwrights in an Hour* is a series devoted to the most produced and studied playwrights in the English language from the Greek Masters to contemporary writers and written by leading authorities in the field Each short book places the playwright and his or her work in historical social and literary context E Teresa Choate is an Associate Professor and Assistant Chair at the Department of Theatre in the College of Visual and Performing Arts at Kean University in Union New Jersey She teaches theater history and dramatic literature performance theory dramaturgy and script analysis as well as period styles of acting She is also a director who has mounted over seventy productions to date She holds an alphabet soup s worth of degrees in theater PhD UCLA MFA in directing Catholic University of America MA Denver University She is currently the President of Alpha Psi Omega the National Honor Theatre Society for colleges and universities

Dramaturgy Michael Evans, 2025-04-25 How are plays constructed Taking this essential question and looking at a broad range of Western plays from Greek tragedies through Ibsen we can discern a remarkably stable set of dramaturgical principles Some dramatists adhere to traditional principles to create meaning while others delight in bending or breaking these conventions seeking new ways to express meaning In this book Michael Evans discusses what he calls standard dramaturgy a set of seven principles upon which most plays from ancient Greek dramas to modern works are based He teases out seven traits found in most plays written before 1900 and many popular plays and films since then The book then looks at these key traits and how the playwrights of the Modernist era deliberately subvert them to create new methods of meaning Examining each of these traits with well chosen examples from dramatic literature the book highlights these traits and illustrates how dramaturgs can understand instances of meaning within plays Part of the Routledge Focus on Dramaturgy series this book will interest scholars and students of dramaturgy directing and theatre studies

The Playwright's Voice David Savran, 1999 These 15 interviews illustrate the diversity of modern American theater and examine what makes it a unique art form Savran English Brown U discusses the work artistic influences and the

state of contemporary American theater and its meaning and purpose with artists including Tony Kushner Jose Rivera Ntozake Shange and Anna Deveare Smith Annotation copyrighted by Book News Inc Portland OR *The Theatre of Christopher Durang* Miriam Chirico,2020-05-14 The Theatre of Christopher Durang considers the works of one of the foremost comedic writers for the American stage From Durang s early success with the controversial Sister Mary Ignatius Explains It All for You 1974 to his recent Tony Award winning play Vanya and Sonia and Masha and Spike 2012 he has been an original theatrical voice in American theatre Edith Oliver long time theatre critic for The New Yorker described Durang as one of the funniest men in the world Durang challenges traditional dramatic idioms with his irreverent comedies that are as shocking as they are prescient and compassionate This volume provides the first comprehensive examination of Durang s works and incorporates comedic theory to examine how laughter in performance subverts social conventions and hierarchies Through a clear detailed discussion of the plays Miriam Chirico considers Durang s use of black comedy satire and parody to explode such topics as western literature religion dysfunctional families and American social malaise Robert Combs and Jay Malarcher provide additional critical perspectives about Durang s works detailing his use of alienation techniques and locating his place within the American parodic tradition The book also includes a warm introduction by Durang s former student Pulitzer Prize winner David Lindsay Abair The Theatre of Christopher Durang in demonstrating how Durang has shaped contemporary theatrical possibilities offers a valuable guide for students of American drama and comedy
