A SOURCEBOOK

Edited by
PREDRAG CICOVACKI

Albert Schweitzers Ethical Vision A Sourcebook

**Max Jones, Berny Sèbe, Bertrand
Taithe, Peter Yeandle**

Albert Schweitzers Ethical Vision A Sourcebook:

Albert Schweitzer's Ethical Vision Albert Schweitzer, 2009 Albert Schweitzer's leading philosophical idea was reverence for life good consists in maintaining and perfecting life evil in destroying and obstructing life For Schweitzer all life is sacred and ethics deals with human attitudes and behavior toward all living beings Unlike most other moral philosophers Schweitzer argues that knowledge of human nature does not lead to any unique moral theory For that reason he bases his ethics on much broader foundations articulated in his philosophy of civilization and philosophy of religion His central idea is that the material element of our civilization has become far more important than its spiritual counterpart Even organized religion has put itself in the service of politics and economics thereby losing its vitality and moral authority Schweitzer's ethics of reverence for life argues Predrag Cicovacki offers a viable alternative at a time when traditional ethical theories are found inadequate Collecting fifteen of Schweitzer's most effective essays this volume serves as a compelling introduction to this remarkable thinker

Albert Schweitzer's Ethical Vision A Sourcebook Predrag Cicovacki, 2009-02-02 The philosophy of Albert Schweitzer has proved widely influential in modern thinking especially in the field of ethics His leading ethical idea can be summarized in the phrase reverence for life namely that good consists in maintaining and perfecting life and evil consists in destroying and obstructing life For Schweitzer all life is sacred Ethics thus deals with human attitudes and behavior toward all living beings Unlike many moral philosophers Schweitzer argues that knowledge of human nature does not provide a sufficient foundation for any adequate moral theory That is why he bases his ethics on much broader foundations articulated in his philosophy of civilization and the philosophy of religion Schweitzer argues that the material aspect of our civilization has become far more important than its spiritual counterpart Even organized religion has put itself in the service of politics and economy thereby losing its vitality and moral authority Schweitzer's ethics of reverence for life argues Predrag Cicovacki offers a viable alternative at a time when traditional ethical theories are found inadequate Schweitzer's robust and un dogmatic idealism may offer the best antidote to the prevailing relativism and nihilism of the postmodern epoch His ethical vision directs us toward a new way of building a more just and more peaceful world Collecting sixteen of Schweitzer's most effective essays this volume serves as a compelling introduction to this remarkable thinker and humanist

The Restoration of Albert Schweitzer's Ethical Vision Predrag Cicovacki, 2012-05-03 Argues for the continuing relevance of Albert Schweitzer's thought especially of his overarching theme of Reverence for Life **Albert**

Schweitzer in Thought and Action James Carleton Paget, Michael J. Thate, 2016-12-09 In the 1940s and 1950s Albert Schweitzer was one of the best known figures on the world stage Courtied by monarchs world statesmen and distinguished figures from the literary musical and scientific fields Schweitzer was awarded the Nobel Peace Prize in 1952 cementing his place as one of the great intellectual leaders of his time Schweitzer is less well known now but nonetheless a man of perennial fascination and this volume seeks to bring his achievements across a variety of areas philosophy theology and

medicine into sharper focus To that end international scholars from diverse disciplines offer a wide ranging examination of Schweitzer s life and thought over the course of forty years Albert Schweitzer in Thought and Action gives readers a fuller richer and more nuanced picture of this controversial but monumental figure of twentieth century life and in some measure of that complex century itself

The legacies of Albert Schweitzer reconsidered Izak J.J. Spangenberg, Christina Landman, Amadi Enoch Ahiamadu, Johan Booyse, Pieter Botha, Cornel du Toit, Garth Mason, Menard Musendekwa, Eben Scheffler, Lovemore Togarasei, Andries van Aarde, 2016-12-31 This book on the legacy of Albert Schweitzer contextualises this remarkable intellectualist humanist medicine man theologian and Nobel Prize winner This collected work is aimed at specialists in the humanities social sciences education and religious studies The authors embrace philanthropic values to benefit Africa and the world at large The publication engages with peers on the relevance of Schweitzer s work for humanitarian values in Africa The essays in the book stimulate further research in the various fields in which Schweitzer excelled Its academic contribution is its focus on the post colonial discourse in contemporary discussions both in South Africa and Africa at large The book emphasises Schweitzer s reverence for life philosophy and demonstrates how this impacts on moral values However the book also points to the possibility that Schweitzer s reverence for life philosophy is embedded in a typically European appreciation of mysticism that is not commensurate with African indigenous religious values From an African academic perspective the book advocates the view that Schweitzer s concept of the reverence for life supports not only the Biblical notion of imago Dei but also the African humanist values of the preservation and protection of life criticising the exploitation of the environment by warring factions and large companies especially in oil producing African countries It also argues that Schweitzer s disposition on ethics was influenced by the Second World War his sentiments against nuclear weapons and his resistance to the Enlightenment view of civilisation With regard to Jesus studies the book elucidates values promoted by Schweitzer by following in Jesus steps and portraying Jesus message within a modern world view Taken over from Schweitzer the book argues that Jesus moral authority resides in his display of love and his interaction with the poor and marginalised The book demonstrates Schweitzer s understanding of Jesus as the one who sacrifices his own life to bring the Kingdom of God to realisation in this world The book commends Schweitzer s insight that we know Jesus through his toils on the one hand and through our own experiences on the other It is in a mixture between the two that the hermeneutical gap between then and now is bridged It is precisely in bridging this gap that Schweitzer sees himself as an instrument of God s healing It defines Schweitzer as the embodiment of being a healer educationalist and herald of the greening of Christianity His philosophy on the reverence for life prepares a foundation for Christians to think green about human life within a greater environment He advocates aspects of education such as lifelong learning holistic education and a problem based approach to education Finally the book analyses both critically and appreciatively Albert Schweitzer s contribution to the concepts of religious healing prevalent in African Christianity today

Albert Schweitzer's Legacy for Education A. Rud, 2011-01-03

This is the first book devoted to the study of the thought of Albert Schweitzer as it relates to educational theory and practice Rud argues that Schweitzer s life and work offer inspiration and timely insights for both educational thought and practice in our new century Decolonising Imperial Heroes Max Jones,Berny Sèbe,Bertrand Taithe,Peter Yeandle,2017-10-02 The heroes of the British and French empires stood at the vanguard of the vibrant cultures of imperialism that emerged in Europe in the second half of the nineteenth century Their stories are well known Scholars have tended to assume that figures such as Livingstone and Gordon or Marchand and Brazza vanished rapidly at the end of empire Yet imperial heroes did not disappear after 1945 as British and French flags were lowered around the world On the contrary their reputations underwent a variety of metamorphoses in both the former metropolises and the former colonies This book develops a framework to understand the complex legacies of decolonisation both political and cultural through the case study of imperial heroes We demonstrate that the decolonisation of imperial heroes was a much more complex and protracted process than the political retreat from empire and that it is still an ongoing phenomenon even half a century after the world has ceased to be painted in red Whilst Decolonising Imperial Heroes explores the appeal of the explorers humanitarians and missionaries whose stories could be told without reference to violence against colonized peoples it also analyses the persistence of imperial heroes as sites of political dispute in the former metropolises Demonstrating that the work of remembrance was increasingly carried out by diverse fragmented groups of non state actors in a process we call the privatisation of heroes the book reveals the surprising rejuvenation of imperial heroes in former colonies both in nation building narratives and as heritage sites This book was originally published as a special issue of the *Journal of Imperial and Commonwealth History* »**A Stranger and an Enigma**« James Carleton Paget ,2025-07-03 *Morality and Spirituality in the Contemporary World* Chandana Chakrabarti,2012-12-07 The contemporary world faces a number of problems that are both deep seated and interrelated since they arise from the very nature of technological society The environment upon which all life depends is seriously threatened by climate change rising sea levels pollution overpopulation resource depletion and increased risks of droughts forest fires floods and other extreme weather events Environmental degradation is intimately connected to the consumer lifestyle of developed countries This lifestyle promotes materialism entertainment and hedonistic superficiality that ultimately lead to moral corruption Our insensitive and destructive attitude towards nature is not isolated or unrelated to other problems of social justice The environmental crisis reflects human structures of domination that include political and economic exploitation racism sexism and ageism These challenges are immense and solutions to them will require a renewed dedication to moral reflection and a commitment to social justice This book discusses the challenges in connection with topics such as human rights economic exploitation and inequality environmental protection globalization global food justice technology gender equality and ageism It provides a plurality of moral and spiritual perspectives including Hinduism Buddhism Daoism and Christianity that offer guidance in finding responses that are both possible and reasonable **Animal**

Rights and Welfare Lawrence W. Baker, 2015-04-21 Through the use of primary source documents readers can learn about key opinions and legislation in the important field of animal rights and welfare a current and highly relevant topic **Animal Rights and Welfare A Documentary and Reference Guide** addresses a broad range of key topics within the subject of animal rights and welfare including zoos animal testing philosophy regarding the treatment of animals and practical measures instituted to protect animals supplying readers with an impartial and authoritative resource for understanding the history of animal rights and the issues that dominate discussions about animal rights Organized chronologically the book discusses topics such as animal rights within the context of hunting for food pelts and other body parts as well as for recreation working animals animals used for education or scientific and medical research animals in the fashion and entertainment industries and the food industry The text provides reproductions of dozens of carefully selected primary documents from the time of Aristotle B C to present day to engage readers and provide opportunities for them to apply their critical thinking and analysis skills The text of each document is introduced by a headnote to place it in context and concludes with analysis that details its significance and clarifies specific passages when needed Each document or excerpt is followed by a full citation of the document

Getting the books **Albert Schweitzers Ethical Vision A Sourcebook** now is not type of challenging means. You could not single-handedly going subsequently book gathering or library or borrowing from your connections to entrance them. This is an no question simple means to specifically acquire lead by on-line. This online notice Albert Schweitzers Ethical Vision A Sourcebook can be one of the options to accompany you bearing in mind having new time.

It will not waste your time. say yes me, the e-book will no question atmosphere you new issue to read. Just invest little epoch to right to use this on-line declaration **Albert Schweitzers Ethical Vision A Sourcebook** as with ease as evaluation them wherever you are now.
