today's media and consider the various ways from film and print to websites and video games that the Middle Ages have been packaged for consumption. Essays encompass diverse theoretical perspectives and are grouped loosely around distinct functions of medievalism including the exposure of recent social concerns, the use of medieval images in modern political contexts, and the medieval's influence on products of today's popular culture. The legitimization of the study of medievalism and the effect of medievalism on the more traditional subject of medieval studies are also discussed.
