Followership Maurice A. Buford, 2018-05-07 This book uses biblical writings to examine how to build wise and moral boardroom boldness to mitigate executive ethical mishaps The author uses the story of King David to explore the possible perplexities followers experience when their leaders suddenly make a toxic choice Introducing a boardroom boldness language model BBLM Buford presents five boardroom languages to use when dealing with toxic leaders How well organizations brace respond and proactively navigate the uncharted terrain of uncertainty could play a pivotal role in the success of the firm Calling into question traditional constructs affiliated with power and trust this book will advance the

greater discussion by integrating spirituality case studies and leadership principles to measure the culture to cultivate boardroom boldness *The Teacher Exodus* Ernest J. Zarra III, 2018-06-02 *The Teacher Exodus* Reversing the Trend and Keeping Teachers in the Classrooms is an authentic examination of many of the reasons public school teachers are leaving the profession It also takes a hard look at why students are no longer selecting teaching as their career choice American culture is at a tipping point and many politicians and bureaucrats are tinkering with culture through racial policies and social engineering in efforts to empower students rather than stem the tide of teacher attrition Teachers are frustrated by requirements to implement social and intervention programs that fall outside their training which limits the moral purpose they envisioned when they first entered the profession Across the nation teachers are feeling marginalized and impacted by policies handed down from above which actually elevate students over teachers Teachers sense their profession has been reduced to classroom monitoring and facilitating which they did not sign up for They are restricted in their classroom management and must employ a series of intervention strategies just to defend their actions of discipline If America is to reverse the trend of teachers leaving classrooms there must be genuinely supportive efforts to reinvigorate adults to pursue teaching and bureaucrats must release teachers to work their skills There must be a reversal of the mindset that teachers are leaving education because education has left them One way to do this is for bureaucrats and education administrators to once again empower teachers to be the local arbiters of education for their classrooms Stolen Valor: The Military Fraud and Government Failures of Tim Walz Josh Manning, Erin Brownback, 2024-10-02 From cowardice in the military to unchecked government overreach *Stolen Valor* exposes the shocking truth behind Minnesota Governor Tim Walz's carefully crafted public image and his ongoing efforts to introduce Marxism to America In this hard hitting investigation authors Josh Manning and Erin Brownback unravel the lies and misrepresentations that have propped up Walz's political career Drawing from extensive research and interviews with those who served alongside him *Stolen Valor* uncovers the real story behind Walz's military service how he abandoned his unit before deployment misrepresented his rank and misled voters about his combat experience But the deceit doesn't end there The book dives into Walz's political career from his radical pro abortion agenda to his dangerous COVID lockdowns and his failure to protect Minnesotans during the 2020 riots This is more than a biography it's a call to action against the creeping influence of socialism and Marxism in American politics *Stolen Valor* delivers a gripping account of betrayal cowardice and the dangerous consequences of unchecked political power Tim Walz has deceived Americans and now the truth is out Are you ready to face it **Let's Play Two** Doug Wilson, 2019-02-15 When Ernie Banks passed away in 2015 he was regarded as one of the most beloved men in baseball history Making his start as a shortstop with the Kansas City Monarchs in the Negro Leagues as a teenager Banks went on to become the first African American to play for the Chicago Cubs Known affectionately as Mr Cub he brought exceptional talent and boundless optimism to the game of baseball earning him a Presidential Medal of Freedom and a place in the Hall of Fame In *Let's Play*

Two The Life and Times of Ernie Banks Doug Wilson explores the life of one of baseball's most immortal figures from his humble beginnings as a young boy living in the segregated South to his last few years and the public battles over his remains and will Drawing on interviews of those close to Banks from all stages of his life Wilson presents a portrait of the baseball player not just as an athlete but also as a complex man with ambitious goals and hidden pains Ernie Banks's enthusiasm and skill transcended issues of race and helped him to become one of the most highly regarded men in baseball Offering details that have never before been printed this book discusses Banks's athletic prowess as well as the legacy he left behind Let's Play Two is the essential Ernie Banks biography for sports fans and historians alike **Oil and God** Elie Elhadj, 2018-08-15 Oil and God is an unabashed realpolitik analysis of U S oil geopolitics and Saudi Arabia's symbiotic attachment to Wahhabism Oil and God contends that oil hegemony is world hegemony The U S has protected the al Sauds since 1945 Some 35 000 U S soldiers are in regional air and naval bases to protect the oil fields and ruling sheikhs In Washington's hands Saudi oil is a non lethal WMD Not even the 9 11 atrocities could make Washington punish Riyadh Oil and God investigates why Iraq was destroyed why Iran was allowed to dominate Baghdad and why Shi'ite Sunni wars continue to burn Once oil is replaced by green energy Washington will abandon Riyadh Saudi cash will dwindle and Wahhabi terror will diminish **The Mobility Forum** ,2008
