The Publishers Weekly, 2003. *Profiles of American Colleges with CD-ROM* Barron's Educational Series, 2006-07-01. Up-to-date information on enrollments, tuition and fees, academic programs, campus environment, available financial aid, and much more combine to make the 27th edition of *Profiles of American Colleges* America's most authoritative source for information on colleges and universities. College-bound students, parents, and high school guidance counselors will find information on more than 1,650 accredited four-year colleges across the United States. A CD-ROM enclosed with each copy of this comprehensive directory presents an interactive format and lets students find individual schools by entering specific criteria. In addition to the above-cited information, each college profile gives details on admission requirements, library and computer facilities, athletic facilities, extracurricular activities, e-mail addresses, fax numbers, web sites, and more. Schools are rated according to Barron's famous competitiveness scale from Noncompetitive to Most Competitive. The book's extra section of tinted pages presents a complete quick-reference Index of College Majors, listing all available major study programs at each school. Also profiled are many of the best-known colleges in Canada and several other countries.
