Test

English 9 with Romeo
and Juliet Sem 1

Name: Ashley Martinez

Date: 05/31/23

1. Explain the central theme of "Loveliest of Trees, the Cherry Now." How is this theme developed over the course of the poem? Provide specific examples from the poem to support your response. (15 points)

The central theme of "Loveliest of Trees, the Cherry Now" is the fleeting nature of life and the importance of enjoying life while it lasts. This poem suggests that life is short and that one should appreciate the beauty of the world while there is still time. The theme developed over the course of the poem through the use of vivid imagery and metaphor. The speaker describes the beauty of the cherry trees in bloom and contrasts it with the brevity of life. For example, in the first stanza, the speaker describes the cherry trees in the bloom, saying "Loveliest of trees, the cherry now / is hung with bloom along the bough." The speaker then contrasts this with the idea that life is short saying "And stands about the woodland ride / Wearing white for Eastertide."

2. Describe the tone of "Miss Rosie" and how it changes as the poem progresses. How does the figurative language contribute to the poem's tone? Provide two specific details from the poem, either quoted or paraphrased, to support your response. (15 points)

The tone of "Miss Rosie" is initially one of pity and sadness, but it shifts to one of admiration and respect as the poem progresses. The figurative language in the poem contributes to this shift in tone by creating a sense of the speaker's growing appreciation for Miss Rosie's strength and resilience. In the first stanza, the speaker describes Miss Rosie as "an old woman / who lived in a shoe." This image evokes a sense of poverty and hardship, and the speaker's use of the nursery rhyme suggests that Miss Rosie is a figure of pity or ridicule. The speaker goes on to describe Miss Rosie's physical appearance in a way that emphasizes her age and frailty: "Her eyes were like / two stars drowning in milk."
