Aphrodisiac If Only It Were Real:

Aphrodisiac D. Meathin, 2014-08-03 An experimental drug not for commercial sale The drug isn't as interesting as the effects it has on a few women who take it both willingly and without their knowledge Not just the immediate effects though those are fun but also the long term benefits the short term loss of their inhibitions produces in their lives Jodie was the first but when a stuck up almost frigid bitch named Elizabeth got a dose well things really got interesting No inhibitions and a bikini line that needed attention And a bunch of guys to share Interesting is a bit of an understatement And poor Mrs Phips Penelope Proper Patricia really shouldn't have done that *Immortal Madman* Mark Hunter, 2014-05-28 It looks suspenseful but is actually funny and sweet People all say that Prince Ning who is as good at solving cases as a god had his face disfigured on the battlefield so he wears a mask all day long Ruan Qiu Se It's fake His face is so stunning that anyone would be captivated at first sight Waterfall Ian Wood, A story of a tragedy that might have been but thankfully wasn't from the author of *Femarine* In 1940 the sky above the English Channel was a battlefield The few were the heartbreakingly young fighter pilots on the Allied side not all of whom were British Many were the bombs which fell not all of them on target a rain of bombs which sank into semi retirement on the quiet seabed When the Channel Tunnel was dug under those sleeping dogs they continued to lie but at the opening of the tunnel a terrorist bomb unleashed them with a vengeance and the few became those who were now trapped with the whole English Channel about to rain in on them A Ready-Made Life Chong-un Kim, 1998-07-01 A Ready Made Life is the first volume of early modern Korean fiction to appear in English in the U S Written between 1921 and 1943 the sixteen stories are an excellent introduction to the riches of modern Korean fiction They reveal a variety of settings voices styles and thematic concerns and the best of them masterpieces written mainly in the mid 1930s display an impressive artistic maturity Included among these authors are Hwang Sun won modern Korea's greatest short story writer Kim Tong in regarded by many as the author who best captures the essence of the Korean identity Chae Man shik a master of irony Yi Sang a prominent modernist Kim Yu jong whose stories are marked by a unique blend of earthy humor and compassion Yi Kwang su and Kim Tong ni modernizers of the language of twentieth century Korean fiction and Yi Ki y ng Yi T ae jun and Pak T ae won three writers who migrated to North Korea shortly after Liberation in 1945 and whose works were subsequently banned in South Korea until democratization in the late 1980s One way of reading the stories all of which were written during the Japanese occupation is that beneath their often oppressive and gloomy surface lies an anticolonial subtext They can also be read as a collective record of a people whose life choices were severely restricted not just by colonization but by education either too little or too much as the title story shows and by a highly structured society that had little tolerance for those who overstepped its boundaries Life was unremittingly onerous for many Koreans during this period whatever their social background In the stories educated city folk fare little better than farmers and laborers A Ready Made Life will provide scholars and students with crucial access to the literature of Korea's colonial period A generous

opening essay discusses the collection in the context of modern Korean literary history and short introductions precede each story Here is a richly diverse testament to a modern literature that is poised to assume a long overdue place in world literature
