

The background of the cover features a detailed, light-colored illustration of a winged figure, likely an angel or a personification of death, riding a horse. The figure is draped in a long, flowing robe and holds a scythe. The horse is depicted in a dynamic, galloping pose. The entire scene is rendered in a style reminiscent of classical religious art, with fine lines and shading. The illustration is set against a light beige background and is framed by a thin, dark teal border.
