Apocalyptic Witchcraft:

Apocalyptic Witchcraft Peter Grey, 2013-03-21 The spectre of witchcraft is haunting the West the dead giving up their secrets This is a ritual unveiling of these mysteries It is a vision and a revelation of the mytho poetic structure of the Art Apocalyptic Witchcraft is a bold project which does not seek to impose an orthodoxy on what is the heresy of heresies Instead it suggests a way forward Apocalyptic Witchcraft gives a compelling and profound account of the Sabbat and Wild Hunt as living experiences These are the core of our ritual practice Dream lunar and critically menstrual magic are explored as a path to this knowledge The wolf the Devil and the Goddess of witchcraft are then encountered in a landscape that ultimately reveals the witch to her or himself These are not separate threads but arise from a deep mythic structure and are woven together into a single unifying vision Alternating between polemic poetic and ecstatic prose an harmonious course is revealed in a sequence of elegant stratagems The book is threaded together with a cycle of hymns to Inanna pearls on the tapestry of night Seemingly disparate aspects are joined into a vision which is neither afraid of blessing nor curse This is a daring undertaking born from both urgency and need It offers a renewed sense of purpose and meaning for a witchcraft that has seen many of its treasured ideas about itself destroyed An apocalyptic age demands an apocalyptic witchcraft and this is a book which is offered up to revolutionise the body of the craft a way out of the dark impasse Tradition is not static it flows and this work pours forth a vision for the future Founded in pilgrimage and ritual encountered in dreams and gleaned from the conversations of both doves and crows a remarkable narrative unfolds Its wings span from prehistory through the witch panic and it emerges fully fledged into our present moment of crisis It offers a witchcraft for our time Apocalyptic Witchcraft is a controversial luminous text A shuddering paroxysm of eternal renewal beneath the serpent moon It is neither a how to book nor a history rather it is a magical vision of the Art in its entirety
