Western visitor or the sterile style of the government gazette The Japanese Are Like That is a down to earth scrutiny of the so called inscrutable Japanese Armed with a cool head the gift of clear expression and an objectivity born of years of foreign residence the author discusses with refreshing candor the national traits and ways of life of his countrymen and compares them with those of other peoples letting the chips fall where they may Despite his background as a career diplomat Mr Kawasaki in this book dispenses with top hat and striped trousers and pulls no punches in exploding some popular myths and romantic illusions about Japan and the Japanese This book is certain to provide the reader with new insights into little known facets of Japan which very few authors have cared or dared to treat so openly **Horror In The East** Laurence

Rees,2009-04-30 The question is as searing as it is fundamental to the continuing debate over Japanese culpability in World War II and the period leading up to it How could Japanese soldiers have committed such acts of violence against Allied prisoners of war and Chinese civilians During the First World War the Japanese fought on the side of the Allies and treated German POWs with respect and civility In the years that followed under Emperor Hirohito conformity was the norm and the Japanese psyche became one of selfless devotion to country and emperor soon Japanese soldiers were to engage in mass murder rape and even cannibalization of their enemies Horror in the East examines how this drastic change came about On the basis of never before published interviews with both the victimizers and the victimized and drawing on never before revealed or long ignored archival records Rees discloses the full horror of the war in the Pacific probing the supposed Japanese belief in their own racial superiority analyzing a military that believed suicide to be more honorable than surrender and providing what the Guardian calls a powerful harrowing account of appalling inhumanity impeccably researched
