Committee on Survey of Research on Crime and Criminal Justice, 1929 *Handbook of Interview Research* Jaber F. Gubrium, James A. Holstein, 2002 The Handbook of Interview Research is the most ambitious attempt yet at examining the place of the interview in contemporary society Interviewing is the predominant mode of research in the social sciences It is also the stock in trade of information seekers in organizations and institutions of all kinds as well as in the mass media Across the board interviews provide today's leading window on the world of experience The Handbook offers a comprehensive examination of the interview at the cutting edge of information technology Drawing upon leading experts from a wide range of professional disciplines this book addresses conceptual and technical challenges that confront both academic researchers and interviewers with more applied goals From interview theory to the nuts and bolts of the interview process the coverage is impressively broad and authoritative The Handbook of Interview Research is both encyclopedic and thematic As an encyclopedia it provides extensive discussions of the methodological issues now surrounding interview practice offering a multi faceted assessment of what has become the method of choice for obtaining personal information in today's society But the Handbook also is a story which spins a particular tale of interviewing one that moves from the commonly recognized individual interview to what is called the interview society The gist of the presentation is that we can no longer regard the interview as simply an instrument for gathering data but must now also view it an integral part of society Catalog of Copyright Entries. Third Series Library of Congress. Federal Sentencing Law and Practice, 2008 **Measuring State and Local Government Labor**

Productivity Donald M. Disk, Alexis M. Herman, Mary M. Greiner, 1998 *Law Library Journal*, 1912 Vols 1 include Proceedings of the annual meeting of the American Association of Law Libraries *Understanding the Arizona Constitution* Toni McClory, 2016-10-01 Arizona became the nation's 48th state in 1912 and since that time the Arizona constitution has served as the template by which the state is governed. Toni McClory's *Understanding the Arizona Constitution* has offered insight into the inner workings and interpretations of the document and the government that it established for almost a decade. Since the book's first publication significant constitutional changes have occurred, some even altering the very structure of state government itself. There have been dramatic veto battles, protracted budget wars, and other interbranch conflicts that have generated landmark constitutional rulings from the state courts. The new edition of this handy reference addresses many of the latest issues, including legislative term limits, Arizona's new redistricting system, educational issues like the controversial school voucher program, and the influence of special interest money in the legislature. A total of 63 propositions have reached the ballot, spawning heated controversies over same sex marriage, immigration, and other hot button social issues. This book is the definitive guide to Arizona government and serves as a solid introductory text for classes on the Arizona Constitution. Extensive endnotes make it a useful reference for professionals within the government. Finally, it serves as a tool for any engaged citizen looking for information about online government resources, administrative rules, and voter rights. Comprehensive and clearly written, this book belongs on every Arizonan's bookshelf.

The SAGE Guide to Writing in Policing Jennifer M. Allen, Steven Hougland, 2019-12-02 The *SAGE Guide to Writing in Policing: Report Writing Essentials* equips students with transferable writing skills that can be applied across the field of policing, both academically and professionally. Authors Steven Hougland and Jennifer M. Allen interweave professional and applied writing, academic writing, and information literacy with the result being a stronger, more confident report writer. Students are also exposed to a number of best practices for various elements of report writing, such as the face page, incident reports, supplemental reports, investigative reports, and traffic reports, as well as search warrants and affidavits.
