Golf's half a millennium history is filled with memorable events, remarkable achievements, and truly bizarre occurrences that likely will never be duplicated. These incredible moments are chronicled in **Astonishing but True Golf Facts**, a compendium of fascinating tidbits from golf's storied past. Golf enthusiasts will be amazed as they read of the high and low points of their beloved sport, such as the amateur golfer who beat odds of over a billion to one to score two holes in one during a single round, the inventor who plays with clubs made from the recycled metals of nuclear missiles, the tournament that was held up by a flock of crows, and the golf fan who was struck twice by errant drives during the 1996 U.S. Open. These true golfing stories are sure to be a source of inspiration, amusement, and astonishment to duffers and serious golfers everywhere.

Amazing But True Golf Facts Allan Zullo, Chris Rodell, 2003-10 **Amazing but True Golf Facts**, one of AMP's most successful golf humor books, has been updated both inside and out. Allan Zullo and Chris Rodell have put together more astonishing, mind-boggling, and beyond-belief morsels from the world of golf. Some of the more intriguing new details in **Amazing But True Golf Facts** include the most holes played (73), Hollywood movie star Will Smith's obsession with the game (he built a par 3 hole in his back yard), the surge of the Dow Jones Industrial Average every time Tiger Woods played a televised match during the 1990s, and the fact that Phil Mickelson's 2001 commercial that features his famous backward flop shot in which Mickelson back to the green hits the ball backward over the head of a company's CEO and into the cup required only three takes. The original **Amazing but True Golf Facts** sold almost 50,000 copies and was a great-selling backlist hit for a decade. It also spawned the day-to-day **Amazing but True Golf Facts** calendar line, which has increased consecutively in sales over the past five years. **Amazing but True Golf Facts** will sail to the Top 10 Books list of every golf aficionado.

Mews Items Allan Zullo, Mara Bovsun, 2005 **Mews Items** celebrates the enigmatic nature of the cat with more than 150 amazing and astounding stories that will leave cat lovers of all ages clawing for more.

Golf Is a Funny Game Allan Zullo, Chris Rodell, 2008-04 Whether it's the hacker who caught his own ricocheted drive, the pro who stripped down to his shorts to play a shot, or the caddie who lost a golf bag during a round, one thing is certain: Golf is a funny game. From the introduction (From bogies and birdies to par shots and eagles) Zullo offers outrageously funny golf tales certain to entertain golf's millions of enthusiasts. More **Golf Is a Funny Game** From Arnie's infamous run in with the ninth tee at Rancho Park Golf Course to the amateur hacker who was hit in the head by his own ricocheting golf ball, Allan Zullo presents more than 100 sidesplitting anecdotes of life on the green for linksmen and women in dire need of a laugh and a lower handicap. Recounting mulligans and master strokes from the days hickory shafts ruled the fairways to the 2006 PGA Champions and LPGA Tours, this comical compendium is executed with the precision of a flawless bunker shot into the cup.
