The Cross of Christ John Stott,2006-08-31 Why should the cross an object of Roman distaste and Jewish disgust be the emblem of our worship and the axiom of our faith And what does it mean for us today In this thoughtful comprehensive study of Scripture tradition and the modern world John R W Stott brings you face to face with the centrality of the cross in God s plan of redemption **God's Love of Love Songs** Donnie Ralph Rieser Jr.,2011-10-26 New classic religious rock songs that

Early,2015-08-25 Assurance of God s Personal Love for Us The startling truth about the love of God has lost its potency It is not a passionless theological idea It is a real love that feels and even suffers Whether you grew up in a Christian home and

have forgotten this essential truth or you never knew it in the first place we all need to be reminded and assured that God's love is real and personal. The Reckless Love of God is about pulling readers in close and asking if they have really considered what it means to say Jesus loves you. Nothing changes lives and grows the church faster more effectively and more thoroughly than being captivated by this reality. But the love of Jesus is not just a means to another end. Receiving the love of Jesus is the end itself. Includes end of chapter questions for individual or group use. *What Can Love Hope For?* William Loader, 2020-10-06. This book raises thorny questions about the themes of faith, hope, and love. Is God really like Jesus or was Jesus a temporary exception to the way God usually is? Was there forgiveness before the cross? Will God one day stop loving? What do we do with the fact that the hopes they had for change were not fulfilled? What happened to good news for the poor? Why did some replace it with something else? Does Christian freedom mean we no longer need the Law? Were early responses to rejection always healthy? Does the Bible say all we need to know about sexuality? It responds to what the author observes is a widespread hunger and interest for discussions which identify and tackle some of the troubling themes of New Testament interpretation in ways that are not defensive but yet are also supportive of faith, especially an informed faith. It draws together the fruit of over half a century of scholarly research and teaching.
