Athanasius The Life Of Antony And The Letter To Marcellinus:

The Life of Antony and the Letter to Marcellinus Athanase ((saint ;),1980 Athanasius c 295 373 Bishop of Alexandria spiritual master and theologian was a major figure of 4th century Christendom The Life of Antony is one of the foremost classics of asceticism The Letter to Marcellinus is an introduction to the spiritual sense of the Psalms The Life of Anthony Athanasius (bisschop van Alexandrië.),1980 **Athanasius : Life of Antony and Letter to Marcellinus** R. C. Gregg (trans),1980 *Athanasius:The life of Antony and the letter to Marcellinus-the Classics of Western Spirituality* ,1980

Finding the Monk Within Edward C. Sellner,2008 Finding the Monk Within is written with the conviction that lying deep within every person and underlying much of contemporary western and eastern cultures is an ancient memory a vital archetypal energy related to monasticism and its spirituality This book recovers that monastic memory the living presence of the past for those who desire to name and incorporate monastic values values of solitude and silence faith and compassion friendship and mentoring contemplation and leadership itself The author examines the social and religious dimensions in the fourth century that gave rise to monasticism then looks at Christian leaders from late antiquity to the medieval period associated with monasticism in both East and West who have much to teach about monastic values and their relevance for today among them Antony the first monk Augustine and Jerome John Cassian Brigit of Kildare and early Celtic monasticism Gregory the Great Benedict and Scholastica and finally Bernard of Clairvaux By studying the history of monasticism and its great heroes we come to realize that for the Christian much of what we call monastic is purely and simply what being a follower of Christ is all about and that being a monk whether inside monastic enclosures or outside in the world is simply becoming the sort of person everyone ought to be a person who unites action and contemplation in the care of souls writes the author By becoming familiar with the stories and thought of these inspirational figures readers will be inspired to incorporate monastic perspectives and values into their own lives **A Voice Without End** Andrew C. Witt,2021-03-24 The past fifty years have seen a strong interest in the shape and the message of the book of Psalms In A Voice Without End Andrew C Witt evaluates the significance of Psalms 3 14 and in particular the presence and function of the figure of David Using representative interpreters and canonical and literary approaches Witt uncovers how the book of Psalms develops its own speaking personae He argues that the introduction to the book in Psalms 1 2 and the association with David in the superscriptions set up the figure of David as the principal voice within Psalms 3 14 constructing a Davidic persona who can speak as an ideal and representative figure as well as a typological figure in expectation of the establishment of a just kingdom in the context of the Davidic promises In addition to its original analysis of Psalms 3 14 this study contributes to Psalms research by sharpening our understanding of the Davidic voice and by showing that key themes and motifs at the seams of the Psalter and in its thematic center are already active and engaged at the very beginning Further it helps to bridge premodern and modern psalm interpreters by demonstrating the ongoing value of premodern conceptual models for

analyzing voices in the text Pathbreaking and eminently readable this book changes both the way we read the Psalter and how we understand its relationship with David It will appeal to biblical studies scholars and seminarians *The Story of Monasticism* Greg Peters,2015-08-11 Some evangelicals perceive monasticism as a relic from the past a retreat from the world or a shirking of the call to the Great Commission At the same time contemporary evangelical spirituality desires historical Christian manifestations of the faith In this accessibly written book Greg Peters an expert in monastic studies who is a Benedictine oblate and spiritual director offers a historical survey of monasticism from its origins to current manifestations Peters recovers the riches of the monastic tradition for contemporary spiritual formation and devotional practice explaining why the monastic impulse is a valid and necessary manifestation of the Christian faith for today s church
