Athene Palace Hitlers New Order Comes To Rumania:

Athene Palace R.G. Waldeck,2024-05-31 On the day that Paris fell to the Nazis R G Waldeck was checking into the swankiest hotel in Bucharest the Athene Palace A cosmopolitan center during the war the hotel was populated by Italian and German oilmen hoping to secure new business opportunities in Romania international spies cloaked in fake identities and Nazi officers whom Waldeck discovered to be intelligent but utterly bloodless A German Jew and a reporter for Newsweek Waldeck became a close observer of the Nazi invasion As King Carol first tried to placate the Nazis then abdicated the throne in favor of his son Waldeck was dressing for dinners with diplomats and cozying up to Nazi officers to get insight and information From her unique vantage she watched as Romania a country with a pro totalitarian elite and a deep strain of anti Semitism suffered civil unrest a German invasion and an earthquake before turning against the Nazis A striking combination of social intimacy and disinterest political analysis Athene Palace evokes the elegance and excitement of the dynamic international community in Bucharest before the world had comes to grips with the horrors of war and genocide Waldeck s account strikingly presents the finely wrought surface of dinner parties polite discourse and charisma while recognizing the undercurrents of violence and greed that ran through the denizens of Athene Palace **Athene Palace, Bucharest** Rosie Goldschmidt Waldeck,1943 *Romania's Holy War* Grant T. Harward,2021-11-15 Romania s Holy War rights the widespread myth that Romania was a reluctant member of the Axis during World War II In correcting this fallacy Grant T Harward shows that of an estimated 300 000 Jews who perished in Romania and Romanian occupied Ukraine more than 64 000 were in fact killed by Romanian soldiers Moreover the Romanian Army conducted a brutal campaign in German occupied Ukraine resulting in the deaths of thousands of Soviet prisoners of war partisans and civilians Investigating why Romanian soldiers fought and committed such atrocities Harward argues that strong ideology a cocktail of nationalism religion antisemitism and anticommunism undergirded their motivation Romania s Holy War draws on official military records wartime periodicals soldiers diaries and memoirs subsequent war crimes investigations and recent interviews with veterans to tell the full story Harward integrates the Holocaust into the narrative of military operations to show that most soldiers fully supported the wartime dictator General Ion Antonescu and his regime s holy war against Judeo Bolshevism The army perpetrated mass reprisals targeting Jews in liberated Romanian territory supported the deportation and concentration of Jews in camps or ghettos in Romanian occupied Soviet territory and played a key supporting role in SS efforts to exterminate Jews in German occupied Soviet territory Harward proves that Romania became Nazi Germany s most important ally in the war against the USSR because its soldiers were highly motivated thus overturning much of what we thought we knew about this theater of war Romania s Holy War provides the first complete history of why Romanian soldiers fought on the Eastern Front **Romanian Policy Towards Germany, 1936-40** R. Haynes,2016-01-20 This new book based on archival research contests the assumptions that Romania remained pro Western in the late 1930s and only joined the Axis as a result of

Western negligence and German pressure Instead Germany was drawn by Romanian politicians into political and economic cooperation with Bucharest In the event this proved Romania s undoing Let down by her German protector she was forced to cede territory to the Soviet Union Hungary and Bulgaria Subsequently Romania was allowed into the alliance she sought with Germany

Modern Romania Tom Gallagher,2008-03 Since the 1989 fall of Communism in Eastern Europe Romania arguably the most regimented of states in the Soviet bloc has struggled with the transition from totalitarian state to democratic nation In this insightful examination of modern Romania Tom Gallagher provides an overview of Romania s unique political and social history focusing on both its national identity as well as the legacy of Soviet rule Gallagher provides an in depth look at Romania since 1989 focusing on the government s attempts at economic reform engagement with democracy problems with corruption among the ruling elite as well as the weakness of civil society and the resilience of implacable expressions of nationalism Ultimately Gallagher argues that thus far democracy has essentially failed in Romania In fact he warns that Romania is on its way to becoming one of the most unequal states in Europe and quite possibly a future trouble spot unless efforts to resume much needed reforms are undertaken

Resettlers and Survivors Gaëlle Fisher,2020-04-09 Located on the border of present day Romania and Ukraine the historical region of Bukovina was the site of widespread displacement and violence as it passed from Romanian to Soviet hands and back again during World War II This study focuses on two groups of Bukovinians ethnic Germans and German speaking Jews as they navigated dramatically changed political and social circumstances in and after 1945 Through comparisons of the narratives and self conceptions of these groups *Resettlers and Survivors* gives a nuanced account of how they dealt with the difficult legacies of World War II while exploring Bukovina s significance for them as both a geographical location and a place of memory

Securing the Communist State Liesbeth van de Grift,2012 From Berlin to Bucharest from Warsaw to Sofia Soviet tanks crossed national borders across East Central Europe at the end of the Second World War The arrival of the Red Army marked an important turn in history Within only a few years the often unpopular communist parties developed into political organizations with mass followings They managed to seize power eliminate political opposition to their rule and purge the state apparatus of undesirable personnel In *Securing*

the Communist State Liesbeth van de Grift provides a new understanding of these organizations using recently disclosed material from the communist archives in Berlin and Bucharest She reveals how these communist parties gained control over the security apparatus after 1945 in East Central Europe from a transitional justice perspective focusing on purges and personnel policies This book shows that the personal break after 1945 was not as radical as is often thought
